Shantibagh road in bad shape

City dwellers of Ward no 35 of Shantibagh and Shaheedbagh areas are facing acute problem for a long time due to bad condition of the main road from Malibagh crossing to Shantibagh-Shajahanpur, reports UNB.

The residents of the area have been suffering much as the city corporation is spending months after months to set up only a 250-yard sewerage pipeline on the road.

Moreover, water-logging, traffic congestion and heap of garbage on roads have vitiated the atmosphere.

The main road of the area has become unfit for use long ago due to lack of necessary repair and maintenance. In some parts, potholes in the road make it difficult even for the passers-by to use it. The road remains muddy and slippery all the time.

Local leaders urged the city corporation to reconstruct the road as early as possible.
