Ruling party undermining democracy: Badruddoza

BNP leader Prof A Q M Badruddoza Chowdhury has asked the government to refrain from resorting to repressive acts against its political opponents, reports UNB.

"Power is not a permanent settlement. One day you will have to answer for your misdeeds," he said while addressing a rally at Siddeshwari yesterday.

Ramna thana BNP organised the rally in protest against the attack on the office of DCC local ward commissioner and Siddeshwari College allegedly by ruling party activists during the July 30 hartal.

Accusing the government of talking tall talks about democracy, the Deputy Leader of the Opposition in Parliament said the ruling party is undermining democracy by launching attack on the processions and meetings of the opposition, and arresting their activists.

B Chowdhury also strongly criticised the government for using the police department to serve its political interests and preventing them from performing their duties without fear.

"Police are making attacks on the processions and meetings of the opposition, harassing our activists instead of arresting the terrorists," the BNP leader alleged.

He called upon the government to take legal action against those who attacked the BNP leaders and workers during the July 30 hartal.

City BNP convenor Sadek Hossain Khoka asked the police to remain neutral in discharging their duties. "You have already lost the confidence of the people."
