**Strengthening the Election Commission for Improvement in the Electoral Process**

**VACANCY ANNOUNCEMENT**

**Project Implementation Specialist**  
 Duration: up to 30 June 2000  
 Station: project office, Dhaka

The Project Implementation Specialist will be involved on a full-time basis throughout the duration of the project in the planning, implementation and reporting on the project and will at all times be working under the supervision of the National Project Director (NPD).

- a. Substantive Responsibilities**
- SUPPORT the NPD to deliver project objectives as stated in the Project Document for BGD/96/018. These include:
    - Initiating reform of the electoral system by strengthening the Election Commission's technical capacity for greater operational transparency;
    - Developing the Election Commission's substantive capacities for oversight of election processes.
    - Strengthening the role of the Election Training Institute in order to train the polling officials, the electoral enquiry committee, party polling agents, election observers, and civic and voter education agents.
    - Creating mass awareness of electoral and democratic processes of the country by providing voters with relevant information to allow them to vote effectively, with special emphasis on woman and other sections of the population who have hitherto not participated in elections to their fullest extent.
  - PROVIDE orientation to project staff for eventual hand-over of responsibilities.
- b. Operational Responsibilities**
- GUARANTEE, through the NPD, the submission of quarterly Financial Reports to the UNDP for the timely reporting, monitoring & evaluation of project finances;
  - SUBMIT, through the NPD, quarterly workplans to the UNDP to the project account to undertake project activities;
  - CO-ORDINATE meetings with representatives of the Government, civil society organisations, women's organisations, legal rights bodies and private sector organisations as and when required;
  - PREPARE, under the authority of the NPD, terms of references for consultancy and subcontracts as and when required during the implementation of the project;
  - ENSURE the timeliness of participatory project evaluations (both mid-term and ex-post); and
  - ANY other duties as authorised by the National Project Director.

**Qualifications:** The incumbent will have a post-graduate degree with a minimum of fifteen years working experience. Proven management and strong documentation skills are a prerequisite. Preference will be given to an individual who has experience with the Government system and experience with electoral processes, as well as familiarity with the UN system and experience of project management.

**APPLICATIONS (Please read carefully)**

- Applications should include:
  - a cover letter;
  - two copies of your curriculum vitae;
- NOTE: No photographs, references, certificates or professional papers should be submitted at this time. Applications that do not follow these instructions will be rejected.
