'Govt to welcome flood aid from abroad'

The government wants to face the flood situation by domestic resources but will welcome if any friendly country extends helping hands, said State Minister for Disaster Management and Relief, report agencies.

Addressing a press conference at the ministry's conference room, Talukder Abdul Khaleq said donor countries and agencies have already been briefed about the latest flood situation.

"After the briefing by Finance Minister on August 18, we are optimistic that our friends will respond positively. The donors were kept update about the latest flood situation," he said.

The minister informed that 43 districts were hit by the flood. He said special feature of this year's flood is large scale erosion by the rivers.

Vast areas in Kurigram, Gaibandha, Nilphamari, Lalmonirhat, Bogra, Rajbari, Sirajganj, Tangail, Manikganj, Faridpur, Rajshahi, Kishoreganj, Jamalpur and Mymensingh were devoured by the rivers.

Elaborating relief activities, the minister refuted allegation that constituencies of the opposition MPs are being deprived of giving government relief.

Giving a statement of the total relief goods including money sanctioned so far for the flood victims, the state minister said the on-going relief activities would continue till the overall flood situation improves.

The government has already sanctioned Taka 2.90 crore and 45,775 metric tonnes of rice for the flood victims till date. He said, other relief goods distributed so far include 1.48 lakh sarees, 34,50 thousands old clothes, 40 thousand lungis, 14,50 thousand metre plain cloth, 7,000 pieces of orn. 400 tents, 525 polythene rolls, 1,000 dhosis, 1,000 tins of biscuits and adequate quantity of dry food, towels, jericans and other necessary goods.

Besides, he said, the government has already allocated Taka 8.12 crore for agriculture rehabilitation while a massive rehabilitation programme will be undertaken with house building grants all over the country after the flood.

The massive rehabilitation programme also include repair and reconstruction of the rural infrastructure side by side with the continuing test relief and food for work programme all over the country.

On queries, Talukder Abdul Khaleq said a total of 314 people died due to the flood and flood related causes so far all over the country.

Secretary of the ministry Azad Ruhul Amin said that this year's flood had already affected a total of 1.8 crore people in 2,630 unions under 297 thanas of 43 districts all over the country.

The damage caused by the flood include 4.25 lakh hectares of crop lands, 1,97,000 dwelling houses, 6,346 kms of road, 2,932 kms of embankment and 2,500 bridges in the affected districts, he said.

Besides, a total of 1,25,958 flood affected people took shelter in 462 shelter centres including 48,000 people in 117 centres in Dhaka. He also told the press conference that as many as 6,642 domestic animals died due to the floods.

Talukder Abdul Khaleq while refuting the allegation of the Opposition said there was not a single instance of irregularity in distribution of relief goods and money among the flood victims.

"I have visited all the flood affected districts, supervised relief works and talked directly to the people to know about their state of being in such a precarious situation, none of them reported me of any incident of irregularity in relief distribution," he said.

The state minister rather told the newsmen that he seldom found any Member of Parliament of Opposition parties in their respective flood affected constituencies to stand by their own people in this hour of need.
