Tk 1248.35 cr allocated for implementing 7000 projects in Ctg

CHITTAGONG, Aug 22: The government allocated about Tk 1248.35 crore for implementing some seven thousand projects in Chittagong district during the last two fiscal years beginning 1996-97, reports BSS.

Minister for Labour and Manpower MA Mannan said this while exchanging views with the journalists at Chittagong Press Club this morning.

The minister said the present government soon after assuming power had attached highest importance to development of Chittagong, the economic hub of the country and as such Taka 571 crore has already been allocated for construction of MA Hannan International Airport in Chittagong.

Mannan giving a brief resume about development activities in Chittagong, said about 80 per cent work of 7,000 projects have already been completed.

Referring to the highest budgetary allocation for education sector, the minister said Taka 14.39 crore has been sanctioned for development of 14 colleges, 40 high schools, and 17 madrasas in the district during the last two years. This is the highest allocation in the sector since independence.

Pointing to the present government's emphasis on technical education for turning the vast population into skilled human resources, Mannan said the work for setting up of twelve crore Technical Training Centres (TTC) is progressing fast. Of them the construction work of the female centres in Dhaka and other divisional headquarters including Chittagong is going on in full swing.

He said the government has undertaken an integrated health and family welfare master plan to provide health services to the door steps of the common people.

Relief distribution

Members of the Old Rajshahi Cadet Association distributed relief among the flood victims at Manikganj Sadar, Shibhalaya and Savar area on Friday-Saturday, reports UNB.

The association members distributed cash money, dry food, clothes, 500 containers of drinking water, candle, match and other essential goods.

Besides, a medical team of the cadet association treated the people sickened by flood and distributed life saving medicine, saline and water purification tablet.

The association will continue its relief operation till the flood water recedes.

BNP secy gen condemns attack on flood victims

BNP Secretary General Abdul Mannan Bhuiyan yesterday condemned Friday's attack on the flood victims at Gulshan 1 Market and demanded immediate arrest of the attackers, reports UNB.

In a statement, he alleged that on the one hand, the ruling party is misappropriating relief goods without distributing those among the flood victims and on the other, they are obstructing BNP's relief distribution.

He blamed the "Awami terrorists" for snatching relief goods from a commissioner's office during the attack.

In another statement, City BNP convenor Sadeq Hossain Khoka MP also protested the terrorist attack on the flood victims at Gulshan and demanded immediate arrest of the miscreants.

Jamaat leader urges UN, OIC to take action against US

Jamaat-e-Islami leader Moulana Motiur Rahman Nizami yesterday called upon the United Nations and OIC to take action against USA for its savage attack on Sudan and Afghanistan, reports UNB.

Addressing a protest meeting at Paltan this afternoon, the Jamaat Secretary General said that President Clinton ordered the air strikes on two independent Muslim countries to divert the attention of the world community from his sex scandal at home.

Nizami called upon the Americans to protest President Clinton's action.

The Jamaat leader was critical of the government reaction on US attack.

As a member of OIC, Nizami said, Bangladesh should raise its voice against this attack.

He also called upon the government to move a resolution in the upcoming Parliament session condemning the US attack.

The meeting over, Jamaat activists brought out a procession which chanted anti-US slogans.

Another report says some agitated activists of Islami Chhatra Shibir burnt the US flag here today (Saturday) protesting the American missile attack.

Journalist's condition improves
