Bangladesh Chhatra Federation (BCF) yesterday protested against the price hike of the essential commodities as well as reported repression of women in different flood shelters.

In this regard the BCF brought out a procession on the Dhaka University campus yes-terday. The rally was addressed by Uzzal Balo, Nasir Uddin and Yasin Mukul.

The speakers alleged that some unscrupulous business men were hoarding the essential food items like rice, pulse and onion resulting in the price rise. The BCF urged the government to take necessary steps in this regard.

Hasina reiterates call for

austerity at all levels

She said the flooding has caused massive damage to and affected mills and factories that will put pressure on the economy. The government has already taken adequate steps to send relief to all the affected people, she added.

She said the government will undertake massive rehabilitation programmes after the recession of flood water and this will need huge resources.

But, she said, it will not be possible for the government

alone to complete the massive post-flood rehabilitation programmes. So, international

help has been sought. Hasina thanked the people who have already stood beside the flood victims and are con-

tinuing to help them. She said: "We will have to survive by fighting this type of calamity .... we will have to continue our all out effort to be a developed nation."

The 200-bed Abdul Wadud Memorial Hospital was set up in remote Rupsha thana by Christian Services Society (CSS). Reverend Paul Munshi is the founder of the hospital, housed in two-storied building.

The Prime Minister said the government is determined to reach healthcare facilities to the doorsteps of the people and is taking all possible steps in this regard. She, however, said the pri-

vate sector will also have to come forward in serving the humanity with such institution and mentioned the government steps for ensuring healthcare

services to the people.

Health Minister Salah Uddin Yusuf, CSS chairman Rev erend Paul Munshi and CSS managing director Mark Munshi also spoke on the occasion.

From Rupsha, the Prime Minister flew to Khulna city and inaugurated the Khulna Divisional Museum at Sonadanga, with a call to take steps to preserve the historical ob jects and sites for the posterity. She said the nation has a glorious history of a thousand years and those should be preserved and projected. This mu-seum will play a role in this re-spect, she added.

The museum was built at a cost of Tk 4.96 crore, specially for preserving the historical objects and archaeological finds of the southwestern region of

the country.

After inaugurating the museum, Hasina went to Khalishpur area to open the first-ever 110 megawatt power plant in the private sector.

She also laid the foundation of Shaheed Sheikh Abu Naser Hospital at Goalkhali in Khulna city. The 250-bed hospital will be built after the younger brother of father of na tion Bangabandhu Sheikh Mujibur Rahman.

The Tk 132.29 crore hospital project is expected to be completed by December, 2001.

At Goalkhali, the Prime Minister addressed a public meeting marking the joining of more than 3,000 Jatiya Party leaders and workers to Awami League, led by S M A Rab, president of Khulna Jatiya Party.

Addressing the meeting. Hasina called upon the people to serve the flood-hit distressed humanity and work for building a happy and prosperous Sonar Bangla.

About the construction of the Rupsha bridge, she said an expert team from Japan is conducting the feasibility study. Construction of the Rupsha bridge will start on the basis of the team's report.
