Int'l Day of Peace today

International Day of Peace will be observed throughout the world today, report APB.

President Shahabuddin Ahmed in his message on the occasion, reaffirmed the country's constant endeavour to contribute with utmost dedication to realisation of the immutable goals of the United Nations.

"Bangladesh reaffirms its unequivocal support and commitment to the UN in its quest for peaceful world," said President Shahabuddin.

Prime Minister Sheikh Hasina in a separate message on the occasion said the country is confident that the UN would continue to be the uni-

versal force behind the peoples of 185 nations, who are committed to the cause of international peace and security.

"In Bangladesh, we have been engaged in addressing the political, economic and social challenges to consolidate peace within our nation," Hasina said.

"We have also devoted ourselves to consolidating regional peace by seeking to resolve issues with neighbours through negotiations and exploring further areas as well as ways and means of enhancing cooperation at the regional and sub-regional levels."

Dainik Bangla crossing in the city became water-logged following yesterday's rain.

Govt taking steps for smooth functioning of ports, says PM

Prime Minister Sheikh Hasina yesterday said the government is taking effective measures for smooth functioning of ports so that export and import do not hamper, reports UNB.

"We are closely monitoring the situation in the ports and taking effective steps so that all problems can be resolved for their functioning. Loading and unloading of foodgrains are very important now," she said while talking to leaders of Bangladesh Employers' Association at her office yesterday.

A 12-member delegation of the association led by its president Rokia A Rahman called on the Prime Minister and placed some of their demands.

The Prime Minister said the government has already decided to deploy Army and Navy at Chittagong and Mongla ports to clear cargo congestion caused by the flooding.

The government is very much concerned about rapid loading of export cargoes and unloading of foodgrains at the ports, she said.

The foodgrains needs to be unloaded rapidly and properly for distribution among the flood affected people of the country, Hasina said assuring all steps of the government for

an early solution of the port problems.

Referring to the devastating and lengthy flood, the Prime Minister said the government has taken steps to maintain adequate food stock to face up the situation.

"The main task of massive rehabilitation and reconstruction will start after recession of flood water," she said. The government will have to manage employment opportunities for the people for survival.

Hasina said the government will involve the people in the reconstruction work and continue OVF, test relief and food-for-work programmes.

She said every sector of administration, armed forces and people of all sections are sincerely working for mitigating the sufferings of the people. "All are working unitedly, there is encouragement among all," she said.

Tk 57 cr project to turn Ctg dist jail into central jail

CHITTAGONG, Sept 14: The government has undertaken a project with an estimated cost of Taka 57 crore for turning the Chittagong district jail into central jail with an accommodation capacity of 2,000 prisoners within the next five years.

The project beginning from this financial year was taken up in view of the increasing number of prisoners. It will also ensure basic amenities to the inmates of the jail, officials of the PWD and jail authorities told BSS yesterday.

Established in 1882 with a capacity of about 700 prisoners the Chittagong district jail is now in a miserable state as it is overcrowded with 3913 prisoners including 83 female inmates.

The sources said a total of nine buildings will be built on around 17 acres of the jail area. The government has already allocated Taka one crore in the current fiscal for expansion and modernisation of the jail.

The proposed central jail will accommodate 480 convicted and 1440 under-trial male prisoners, 20 convicted and 40 under-trial female prisoners and 20 adolescents and 25 classified prisoners.

The sources said the project has been designed with maximum emphasis on ensuring basic amenities, protecting environment and better medicare to inmates of the jail.

The proposed central jail will have a two-storied hospital with an infectious diseases ward and a mental illness cell, a two-storied building for school and library, a two-storied cell for 50 dangerous and desperate prisoners, a one-storied building with five female cells, one auditorium, one pond, two visitors' rooms, six observation towers, one kitchen room each for 500 prisoners, one parade and playground, one latrine each for 20 inmates, three saloons, one laundry, ten condemned cells, two gallows, security equipment including metal detectors, walkie talkie and close circuit TV and installations of pump houses, surface drain and waste water disposal.

The sources further said mass literacy programmes will soon be introduced for the prisoners in the existing jail. At present, a large number of books on different subjects are lying unused in the library.

With the upgradation of the district jail to central jail, the number of the central jails in the country will be nine.
