MONACO, Sept 15 (Reuters/Internet): US Open champion Patrick Rafter and world number one Pete Sampras have secured berths alongside Marcelo Rios in the \$3.3 million ATP Tour world championship in November, the ATP said on Monday.

Sampras and Rafter, whose ranking rose to second after he beat fellow Australian Mark Philippoussis in Sunday's US Open final, have enough points to be sure of ending the season among the top eight qualifiers for the Hannover championship.

Chilean Rios secured his berth in the championship from Nov. 24 to 29 a month ago. Sampras has qualified for the ninth season in a row, Rafter for the second.

History for South Africa

KUALA LUMPUR, Sept. 15: South Africa pulled off their first ever victory over favourites Australia 3-2 in the men's hockey tournament at the Commonwealth Games here on Monday, reports AFP.

Australia's defeat meant that New Zealand, who they play on Tuesday, top Pool A with seven points while the 'kookaburras' trail them by a point. South Africa have four points.

The Indians joined Australia on six when they beat Wales 6-3, though the Welsh, who are without their coach after he withdrew at the last minute because of a fear of flying, came back from 4-1 down, Simon Organ scoring twice to take his tally to four for the tournament.

Baljit Singh Dhillon spared Indian blushes when he sidestepped a defender and smashed home the ball for his second goal with 10 minutes remaining. Mukesh Kumar rounded the scoring off with three minutes to go. India, who are still to play New Zealand and Trinidad and Tobago have problems with their veteran keeper Anjapara...

vanda Subbalah, who has been heavily criticised for his performances here, and the 211 times capped 28-year-old was taken off at halftime. South African coach Giles Bonnet, whose contract is up for renewal at the end of the Games, praised his players and said it could mark a new era for the team.

"This was the display I had been looking for in the first two matches. We have only been back in hockey for the past five years and we have beaten four of the top six sides in the world in the last 18 months so I hope we get more funding," Bonnet said.

New Zealand coach Kevin Gorrige was not impressed by his side struggling to beat the Trinidadians, who could have stolen the match in the second-half as the Kiwis faded badly. The New Zealanders, who finished 10th in May's World Cup, cruised to a 3-0 lead by the 27th minute but then took their foot off the pedal although Gorrige believed it wasn't all their fault.

The Trinidadians, whose captain and playmaker Kwan Browne stood out as the most skillful player on the pitch, hit the post twice but their coach Richard Quan Chan said the difference in the two sides was team-work.

Poles send Spartak back

MOSCOW, Sept 15 (Reuters/Internet): A charter flight carrying Russian football team Spartak Moscow to a European Champions' League match in Austria was forced to return home on Tuesday after Poland refused it permission to enter its air space. Itar-Tass news agency said.

Spartak spokesman Alexander Lvov told the Russian agency that the hitch on the eve of their opening game against Sturm Graz came as a complete surprise.

The flight took off from Moscow's Vnukovo airport at around 11 a.m. (0700 GMT) heading for Maribor in Slovenia from where the team intended to travel to Graz by road. However, three hours later it was back at Vnukovo.

Spartak's head coach Oleg Romantsev was quoted as saying the incident was a "great show of disrespect" not only to Spartak but to the entire Russian nation by the Polish authorities.

The Russian national team were held up on their way to a European championship qualifier in Kiev 10 days ago when airport authorities at Vnukovo refused to let their charter plane leave until the team's backers sent an armoured car full of dollars to pay for fuel and other expenses.

Russia's banking system is all but paralysed by a financial crisis and Spartak officials said last week that they too were having difficulties obtaining hard currency to pay for travel.

Thorpe, Hackett shine

KUALA LUMPUR, Sept 15 (AFP/AP): The Australians like to call it a warmup for the 2000 Olympic Games in Sydney. So far, they have reaped the lion's share of gold at the Commonwealth Games.

Once again, Australia is surging ahead of 69 other competing nations. It has 28 gold medals, compared to eight for Canada and five for England. All but sweeping the medals in swimming, Australia has also dominated cycling, shooting and field hockey. Its medal tally is likely to soar in the remaining week of the Games, which are held every four years.

World 400-meter swimming champion Ian Thorpe and fellow Australian Grant Hackett recorded the second and third fastest times ever claiming the gold and silver medals.

Australia's pool party raged

for a fourth night. It swept all five gold medals on offer, lifting its total to 17 from 20 races so far in the games. But Susie O'Neill was unable to tie

Michael Wenden's all-time gold medal record.

Of the 12 individual medals available Tuesday, Australia gave up just two one bronze each to England and Canada.

Thorpe, 15, kicked off the route by leading an Australian sweep in the 400-meter event in 3 minutes, 44.35 seconds. World silver medalist Hackett was second in 3:44.88 and Daniel Kowalski third in 3:48.91.

The top two were both surprised to get near compatriot Kieren Perkins' world mark of 3:43.80, set at the 1994 Rome world championships. Both beat the former second best time of 3:45.00 set by Russian Evgeni Sadovyi in winning the 1992 Olympic gold medal.

Thorpe's magnificent victory from the front came after he missed the 200-meter freestyle world record by just .01 seconds earlier in the meet.

India's master shooter Jaspal Rana claimed a gold medal today when he won the men's centre fire pistol title with Ashok Pandit.

Rana and Pandit scored 1,154 points. Silver went to John Rochon and Metodi Igorov of Canada with 1,150 points and Bronze to Bruce Quick and Michael Giustiniano of Australia (1,149).

Rana won the centre fire title in Victoria four years ago with a Commonwealth record score. Annemarie Forster and Christine Trefry of Australia have won the pairs women's air pistol gold with 748 points.

Tania Corrigan and Jocelyn Lees of New Zealand were second with 747. Malaysia's Kamisah abd Jalal and Suriati Othman won the bronze with 743 points.

Anna Wilson of Australia won the women's 28 km road independent time trial gold medal.
