**Bhuiyan protests 'terrorist' acts in Puthia**

BNP secretary general Abdul Mannan Bhuiyan has strongly protested and condemned, what he said, acts of terrorism, arson and plundering by ruling party terrorists in Puthia thana of Rajshahi districts, reports UNB.

In a statement yesterday, he also protested the filing of "false" cases against the local BNP leaders and workers, including Nadim Mostafa MP.

Bhuiyan alleged that terrorists of the ruling party had resorted to armed attack on the BNP leaders and workers at Biraldaha village of Puthia thana during the last few days.

He said the armed attackers also tortured hundreds of innocent villagers, plundered their property and set fire to many houses.

But, he added, instead of arresting the culprits police protected them and arrested the BNP leaders and workers who were subjected to repression by the terrorists.

The BNP leader further alleged that police and BDR indiscriminately-baton charged the local people who protested filing of false cases and acts of violence by the terrorists.

He urged the law enforcing agencies, including police and BDR, to discharge their duties neutrally.

Bhuiyan asked the government to immediately withdraw the cases filed against the leaders and workers of BNP and its front organisations.

He also demanded unconditional release of all the arrested leaders and workers, including Thana BNP vice-president and UP chairman Wazzel Islam Bachechu.
