Water purifying programme of Dhaka WASA

By Staff Correspondent

A water treatment plant donated by the German government is purifying 27000 litres of water every hour, says a press release of Dhaka WASA.

A 14-member German team with the Water Purifying Plant arrived in the city on September 23 following requests by the Dhaka WASA in a bid to meet the post-flood requirement of drinking water in the city.

One more plant was also brought later to help accelerate the water purifying programme.
