CLOCKWISE FROM TOP LEFT: ● A technician testing television equipment. ● The Bangabandhu National Stadium, the unique venue for all the eight matches of the Wills International Cup. ● An expert examines the practice net. ● A view of the International Gallery which will house the privileged local members of Dhaka Club and Uttara Club. ● A means of tackling the inevitable rain, a new technology for Dhaka. ● Long queues for the elusive tickets. ● The star attraction, the new electronic scoreboard: a great catch but may not be a great match.
