**Special Notification**

The following former teachers of the university are hereby notified that since they failed to resume their duties in the University after expiry of Study Leave, their services stood terminated as per terms of Study Leave Contract and they are bound to refund to the university the amount of money paid to them or in their account along with interest and the same is recoverable from them.  
Correspondences were made at their addresses available in the university records but till date they did not refund the money or did not even contact, from which it appears that they are deliberately avoiding the payment to cause financial loss to the university and also to destroy the image of the university.  
The university is, therefore, compelled to request them finally to pay the outstandings to the university within 30 days from the date of publication of this notification, failing which appropriate suits will be filed against them for realisation of the outstandings and if the suits are decreed in favour of the university, the decretal amount will be realised through attachment and auction of their moveable and immovable properties.
