Probe body yet to find 'clue' to defacement of Madhusudan's bust

The probe body, formed to investigate into the 'defacement' of the bust of martyred Madhusudan Dey commonly known as 'Madhu Da' on the Dhaka University campus is yet to find any clue, reports APB.

The one-member inquiry committee of DU Proctor Prof A K M Noor-un-Nabi, formed on November 1, was asked to submit its report within seven days.

Unidentified assailants mutilated the bust, located in front of the Madhu's Canteen on the campus on November 30.

The report could not be submitted within the stipulated timeframe as I could not trace out the motive behind the incident," Prof Noor-un-Nabi told APB.

He, however, said that the investigation was on and hoped to identify 'culprits' responsible for the untoward incident.
