Muktijoddha Sangsad warns against fake certificates

Bangladesh Muktijoddha Sangsad yesterday said it has received complaints that a section of money mongers and vested quarters indulge themselves in forging certificates of the genuine freedom fighters, wounded freedom fighters and martyrs, according to a press release, reports BSS.

Such certificates issued by the Central Command Council of the Sangsad, are duly countersigned by the Sangsad chairman and Prime Minister of the republic who is also the chief patron of the Sangsad.

The press release signed by the chairman of the Sangsad Principal Abdul Ahad Chowdhury said that the vested quarters are indulged in forging the certificates of the freedom fighters to undermine the genuine freedom fighters socially and politically on the one hand and deriving benefits including job facilities from different government and semi-government offices by introducing the non-free fighters as free fighters on the other hand.

The Sangsad is afraid that the group engaged in forgery has been active throughout the country following the declaration of the present government's reservation of 30 per cent quota of job for the children of the freedom fighters and other privileges including admission facilities.

Very recently, some fake certificates along with concrete evidences of forgery have been submitted to the Sangsad office.

The Sangsad requested all government, semi-government offices to remain alert against such fake certificates. If necessary they have been requested to contact the office of the Central Command Council of the Sangsad at 393, New Eskaton Road, Moghbazar, Dhaka (phone -9330217, 833870, 9348143 and fax-9348144), to verify the authenticity of the certificate of the freedom fighters.

The Sangsad also urged the law enforcing agencies to bring to book these money-mongers for punishment.
