## Govt planning to provide home for all homeless: PM

SINGRA (Natore), Jan 12: Prime Minister Sheikh Hasina has said her government is planning to provide home for all homeless people and to arrange income-generating activities to make them self-reliant, reports UNB.

"We don't want that a single person remain homeless, we want to give shelter to everyone of this country," she said handing over deeds of houses built under the Ashrayan project at a Natore village today.

The Prime Minister handed the documents to 20 families of Kajalhar Ashrayan project and assured them of employment through various cooperative schemes.

The Kajalhar cluster-housing complex has been built on 3.35 acres of land, along with 1.6-acre pond. Two barracks-type houses were constructed for the 20 families, with sanitation, drinking water and small farming facilities.

In Singra thana, four Ashrayan projects are being implemented at Arjanpara, Chhatangachha, Mohesa and Kajalhar and four more being planned.

The Prime Minister said in last one year the government had provided more than 3,000 families with home across the country and works were going on to give shelter to more 1000 families within a very short time.

She said micro-credits, education and medicare facilities would also be ensured for the poorest of the poor being rehabilitated under these projects.

"We want to ensure a better living for those who have neither any shelter nor any home to survive," she said, adding her government is the government

of the people and always stands beside the people.

The Prime Minister also mentioned government's super-annuation allowance for the aged poor and credit scheme for the unemployed youth.

Referring to the devastating floods that engulfed the country last monsoon, she said this government for the first time was giving agricultural loans to the sharecroppers and marginal farmers who were not entitled to get credits earlier.

"We have allocated Tk 3270 crore for providing agricultural loans and decided to open branches of Krishi Bank in every union for the convenience of the poor farmers."

Hasina said the present government was also trying to build a communications network from union to thana, and thana to district headquarters and working for economic uplift of the masses.

LGRD and Cooperatives Minister Zillur Rahman and local leader Mohammad Shahajahan also spoke on the occasion. Awami League presidium member Abdul Jalil, State Minister for Women and Children Affairs Prof Jinatunnesa Talukder, Awami League Publicity Secretary Abdul Mannan, local MPs Prof Abdul Quddus and Shaheen Monwara Huq were present on the dais.

Earlier, the Prime Minister went round the project area talking to the men and women who got shelter in the Kajalhar habitat.
