PM pays tribute to martyrs of '69 mass upsurge

Prime Minister Sheikh Hasina yesterday said the sacrifice as well as the heroic and historic victory of the people against all conspiracies provided the inspiration for independence and democracy in this part of the world, reports BSS.

"The military, communal and colonial rulers from time to time tried to snatch the rights of the people — both democratic and fundamental — through killing, coup, conspiracy and oppression," she said in a message on the eve of the Mass Upsurge Day and the Chittagong Mass Killing Day.

"I pay my heartfelt respect to the martyrs of the mass upsurge of 1969 and also those of Chittagong mass killing in 1988," she said in her message.

Recalling with grief these two gruesome episodes of our history, Hasina said the people rose to their feet on January 24, 1969 against the Pakistani military regime.

The Prime Minister said that the mass upsurge had in fact strengthened the self-will of each and every Bangalee in their struggle to achieve independence. The memory of these martyrs will remain forever in
