Salahuddin Yusuf, Minister for Health and Family Welfare inaugurating the countrywide leprosy eradication drive at the Sasakawa auditorium of the ICDDR, B in the city yesterday.

**Leprosy eradication drive begins today**  
**Nearly 30,000 leprosy patients in the country**

A countrywide leprosy eradication drive starts today with a view to eradicating this disease from Bangladesh within the year 2000, reports BSS.

Minister for Health and Family Welfare Salahuddin Yusuf yesterday inaugurated the campaign for eradication of leprosy from the country in the Sasakawa auditorium of ICDDR, B at Mahakhali.

In his inaugural address, the

minister said the number of unidentified leprosy patients in the country is nearly 30,000. He stressed the need for identifying these patients through extensive campaign, door to door visits and motivation of the people against this disease.

"Although leprosy has been identified as a complex public health problem, its affect in Bangladesh is gradually reducing," he said adding that treatment facilities for this disease are now available at all thana health complexes throughout the country. Besides, he said, a total of 400 leprosy treatment centres have been established in the country in this regard.
