Tofail rejects Khaleda's precondition to talks

A senior cabinet minister yesterday rejected opposition leader Begum Khaleda Zia's precondition to dialogue with the government, saying the question of cancelling the municipal election results does not arise at all.

"People took part in the polls enthusiastically and elected their representatives to the municipalities despite the opposition call for boycott and hartal. So the question does not arise at all of scrapping the results," said Commerce and Industries Minister Tofail Ahmed talking to UNB.

In a rebuttal to Begum Zia's comments regarding dialogue

Khoka, 2 other BNP leaders granted bail

By Staff Correspondent

A High Court Division bench of the Supreme Court yesterday granted ad-interim bail for four months to three BNP leaders, including the city unit convener Sadek Hossain Khoka, MP.

The Division Bench comprising Justice Mohammad Sirajul Islam and Bijon Kumar Das also granted anticipatory bail to DCC ward commissioner and BNP leader Mirza Khokon and Sramik Dal leader Kabir Hossain said a press release.

The bench also asked Sramik Dal central leader Zafrul Islam, Bakir Hossain, Mohammadullah Chowdhury and Nurul Islam Nasim to appear before lower court within next three weeks and instructed the authorities concerned not to arrest them during the period.

The seven leaders are accused in the murder case of Rickshaw Sramik League leader Nurul Haq, who was killed in a bomb explosion on Feb 23 during hartal hours.

Justice Habibur Islam Bhuiyan, Barrister Moudud Ahmed and other senior lawyers appeared on behalf of the petitioners.

Career Opportunity

Rhone-Poulenc Rorer is a global pharmaceutical company working to improve human health and quality of life of people throughout the world. We are working for doctors and patients around the world dedicated to the discovery, development, manufacture and marketing of pharmaceutical products to help improve human health and the quality of everyday life.

The following positions have arisen in its local affiliate Rhone-Poulenc Rorer Bangladesh Ltd. for its expanding marketing activities.

Oncology Business Associates

We are developing innovative therapeutic solutions in cancer treatment and have made the development of new treatments for cancer. Research and development in the field of cancer is the number one priority of Rhone-Poulenc. We require ambitious, energetic and result oriented Medical graduates to join our expanding "Oncology Team" with opportunity of developing professional skills. Incumbent should have the ability to innovate and implement effective marketing strategy, achieve sales objectives and follow up clinical trials. The candidates must have a good academic background and should be fluent in English.

Thrombosis Business Associates

The position will initially be purely on a contract basis for one year and subsequently be made permanent depending on the performance. We require Medical graduate/Pharmacist ready to assist investigators and coordinators of our on-going projects for its expanding medico-marketing activities. The candidates must be energetic, self-driven and have the ability to perform multiple tasks, negotiate, mediate discussion with leading doctors. The candidate must have the ability to organise smaller group discussions as well as large clinical meetings and follow-up clinical trials as well as achieve sales and other company objectives. The candidate should also be ready to travel extensively and be willing to work in divisional/district head quarters.

Medical Affairs Associates

Medical graduates below 35 years of age are suitable for the post. Candidates with post-graduate degree/diploma would be given preference. Medical Affairs Associates will be posted in Medical Affairs Division based in Dhaka with travelling throughout the country. The prime responsibility of the incumbent will be to provide input in the medico-marketing activities like clinical meeting/seminar, coordinating clinical trials, etc. They would also provide necessary support on scientific aspects of promotional strategy and in the implementation of Pharmacovigilance. They must have persuasive and creative talents to work with the team of doctors, pharmacists and marketing people. The job has opportunity of conducting clinical studies locally with overseas visits. Having experience in research work with good communication skill would be added advantage.

Medical Representatives

Candidates will be young, energetic, ambitious and result-oriented people to join the sales team. The successful candidates will play a vital role in communicating product information to the medical profession, generate prescription support and achieve sales objectives. The deserving candidates aged below 30 years, would have a good Masters degree in Science with biology at the HSC level, have strong communicational abilities both in English and Bangla and a flair for selling with an ambition to build a career in pharmaceutical sales.

Candidates with strong sense of ambition to build career in pharmaceuticals are requested to apply with a complete CV along with a recent passport size photograph within 10 (ten) days of this advertisement. Only short-listed candidates will be called for formal interview.

Applications would automatically be discarded for any advocacy for the position.
