BANGLADESH SILK FOUNDATION

SILK DEVELOPMENT PROJECT LOCAL CONSULTANT WANTED (Package No. S 20)

IDA CREDIT 3004 BD

Date: 24 March 1999

1. This request for expressions of interest follows the general procurement notice for this project that appeared in *Development Business*, issue No. 469 of August 31, 1997.
2. The People's Republic of Bangladesh has received a credit from the International Development Association towards the cost of Silk Development Project, and intends to apply part of the proceeds of this credit to payments under the contract for local Consultancy Services.
3. The project is the first phase of a long term program to assist in increasing the incomes of small scale silk producers, most of whom are rural poor women through introducing improved technology and creating institutional and policy improvements designed to encourage sustainable development of the silk sector. The project aims to address the institutional, economic and technical constraints that are affecting silk development in Bangladesh.
4. The services include undertaking an initial baseline survey during the current year on the basis of performance indicators and parameters to be finalized by the consultants in consultation with BSF. Monitoring and evaluation of the project performance will have to be done through subsequent annual surveys for three years on the basis of selected performance indicators.
5. The Bangladesh Silk Foundation now invites eligible Bangladeshi consultants to indicate their interest in providing the services. Interested consultants must provide information indicating that they are qualified to perform the services (brochures, description of similar assignments, experience in similar conditions, availability of appropriate skills among staff, etc.) Consultants may associate to enhance their qualifications.
6. A consultant will be selected in accordance with the procedures set out the World Bank's *Guidelines: Selection and Employment of Consultants by World Bank Borrowers*, January 1997.
7. Interested consultants may obtain further information from background documents at the address below.
8. Expressions of interest must be delivered to the address below by 22 April 1999.
