## 'Production of poly bag being banned in phases'

The government is deter-  
mined to turn the tree planta-

the country, reports UNB.

"The tree plantation activi-  
ties are aimed at encouraging  
and coordinating efforts of peo-  
ple from all walks of life and  
government and non govern-  
ment institutions," said Begum  
Sajeda Chowdhury, Minister  
for Environment and Forest, at  
a press conference at her office  
yesterday.

The press conference was  
held prior to the function for  
giving national award for tree  
plantation.

Referring to some steps,  
Secretary Syed Margub Mor-  
shed said production of poly  
bag, a major source of pollu-  
tion, is being banned in  
phases.

The minister said the na-  
tional award had been intro-

spiring and coordinating ef-  
forts of various quarters to  
make the tree plantation  
movement a spontaneous activi-  
ty.

institutions, including educa-  
tional, local bodies, sector or-  
ganizations and ministries will  
receive national award for tree  
plantation.

He said the government has  
planned to make a park from  
Himchari to Teknaf free from  
pollution hazards. Besides, they  
are waiting adoption a law by  
Parliament providing measures  
to protect the environment. The  
law will empower the govern-  
ment to take effective steps.
