**4** Flights daily to  
**SYLHET**

**3** Flights daily to  
**JESSORE**

**1** Flight daily to  
**RAJSHAHI  
 & BARISAL**

Today we celebrate our First Anniversary. GMG wishes to thank its valued passengers, trade partners, employees and friends for their continuous support during its last one year of service.

For the past year we have tried harder than any other airline to give the very best to our passengers... the ultimate in comfort and convenience, smooth and quick check-ins, on time departures and arrivals, warm and friendly on-board service. We have increased flight frequencies and have introduced new routes. And all this and more is recognized in our passengers' comments - high praise indeed for an airline just one year old today!

Our future endeavor will always remain to work with you to create the services you require. We aim to deliver the ultimate satisfaction in air travel.

Tomorrow we promise to do even more...  
 Your satisfaction is our reward.

"I am delighted to contribute to the first anniversary celebrations of GMG Airlines. It is entirely right that air transport should be run by the private sector: something which the Government of Bangladesh is committed to. GMG has very quickly become a respected part of national life in Bangladesh. In my own case I use them regularly and so am able to congratulate them, from my own personal experience, on their high standard of service, including punctuality. Life would be unthinkable without them.

I very much hope that they will expand their operation and extend it to points outside Bangladesh."

**DC Walker**  
 The High Commissioner, British High Commission, Dhaka

"What else can I say than it is now a pleasure to go to Chittagong! Congratulations for making it possible for people to fly in Bangladesh in comfort, on time and without continual fear for safety. All that within one year, thank you."

**David T. Humphreys**  
 Chief Executive Officer, Bangladesh.  
 The Hongkong and Shanghai Banking Corporation Limited

"I would like to take this opportunity to congratulate GMG Airlines Ltd. on their first anniversary of operation in Bangladesh. During the past year, I have had the opportunity to fly on GMG Airlines several times. I have found the airline to be responsive to customer services issues by providing on time departures and arrivals, clean aircraft and courteous staff. I appreciate GMG's commitment to service and its role in supporting Bangladesh's airline and travel industry, and wish it continued success in the future."

**John C. Holzamn**  
 Ambassador of the United States of America  
 Dhaka Bangladesh

"On the occasion of the first anniversary of GMG Airlines I would like to express my felicitations and record my praise for the service that has been provided. I travel very frequently and exclusively with GMG within Bangladesh and have never been let down. The service of both the flight and ground staff has always been efficient and very customer oriented which is very much appreciated, as is the timeliness of the flights. My life changed for the better when GMG started its operations.

Wishing GMG continued success in the future. "

**J. L. W. Noal**  
 Chairman & Managing Director  
 Lever Brothers Bangladesh Limited
