Zillur urges opposition to take part in UP polls

LGRD and Cooperatives Minister Zillur Rahman yesterday called upon all opposition political parties to strengthen democracy by participating in the upcoming upazila election, reports BSS.

"Election is the only way to give democracy an institutional shape... so you should have to contest in the election to manifest democracy", he said while speaking as the chief guest at the national council of Bangladesh Union Parishad Chairmen Samity at the Engineers institution here.

Chaired by president of the organisation Mir Enayet Hossain Montu, the council was also addressed, among others, by vice-presidents of the Samity M Alauddin, Golam Sarwar and Mayadhan Chakma.

The Minister said the present government under the able leadership of Prime Minister Sheikh Hasina has taken various steps for decentralisation of power so that the people of the country can exercise their full democratic right.

Lauding the role of Union Parishad chairmen to cope with the last year's devastating floods, he said, "your sincere efforts to face the floods reduced losses of property and lives".

Zillur, who is also the general secretary of Awami League, sought all out cooperation from them to implement the ongoing development activities of the government.
