AL govt steps up repressive measures: BNP

By Staff Correspondent

BNP secretary general Abdul Mannan Bhuiyan yesterday said the Awami League government has intensified repressive measures on the opposition activists as the party's days in power are numbered.

He said the government is now desperately trying to stay in power and using the police force to suppress the voice of the opposition.

In a statement yesterday, the BNP leader said the police attacked a torch procession at Gabtali sadar thana in Bogra district on April 17 without any provocation.

Not only that, he said, police also filed 'false cases' against 60 leaders and activists of the party and its front organisations and arrested many others. He alleged that police created a reign of terror in the entire area in the name of arresting BNP men.

The BNP secretary general asked the police to remain neutral and discharge their duties without any fear and favour and not to carry out any illegal order of the ruling party.
