ENRON STANDS READY TO MEET BANGLADESH'S ENERGY NEEDS

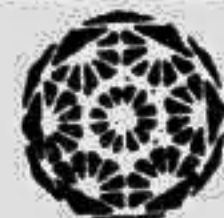

Enron is a US \$30 billion company and one of the world's leading integrated electricity and natural gas companies. We develop, construct and operate energy and water facilities worldwide.

According to Forbes Global Business Annual Report for 1999, we are the top power company in the world. And for the last four years, Fortune Magazine has named Enron "America's Most Innovative Company."

Enron is proposing a 100-megawatt power project to help meet the energy needs of Bangladesh. Once the site and contracts are finalized, we can generate electric power within six months. Our reputation has been built on reliability. This year alone, we have completed power plants in Turkey, the United Kingdom, Guam and India to meet the unique needs of those countries.

Natural gas. Electricity. Endless possibilities.™
