TV relay station in Rajshahi Construction work yet to be completed

RAJSHAHI, Jun 2: Although the work began five years back the construction of the TV relay station here is yet to be completed, reports UNB. The work remain suspended after a partial completion of the construction work.

According to local people, the work of installation of machinery and a tower is yet to start. But work of main building, police camp, power sub-station and boundary walls has already been completed at a cost of Tk 1.33 crore.

Under the revised scheme it was renamed as 'TV Relay and Regional TV Station-Rajshahi' and will be completed in two phases.

The construction work was started in 1994-95 fiscal at an estimated cost of Tk 4.21 crore under the supervision of the Public Works Department.

Local Authority of the project in a letter in September 1998 requested the project director of the National Broadcasting Authority-Dhaka to takeover the Relay Station but nothing has yet been done in this respect, said the source.

After deploying Ansar for security reasons the cost of the project is increasing day by day as more than Tk 10,000 is being spent against the wages of the security personnel, the sources added.

But the local authority could not give any idea when the relay station would start functioning although they said that the machinery would be installed with the technical assistance of French Government.

AL City unit meet today An emergency extension meeting of the Dhaka City Awami League will be held at its city office at 4 pm today, a party press release said, reports BSS.

Acting general secretary of City Awami League Aktarul Alam has requested all party MPs, ward commissioners and leaders of the city including presidents and general secretaries of thana, ward and union units to attend the meeting on time.
