

Pick of the week

The Movies

Baby Face Nelson
June 8th at 10:00 PM on Star Movies
Against the explosive panorama of 1920s Chicago, gangsters emerged, who, in spite of flaunting every law known to man, became legends. 'Baby Face' Nelson, Al Capone and John Dillinger are names that have become a part of America's most infamous history. A brutal gangster who knows no morality or laws except the law of survival, George 'Baby Face' Nelson became a successful mobster aided by a dim, yet loyal friend.

The Serial

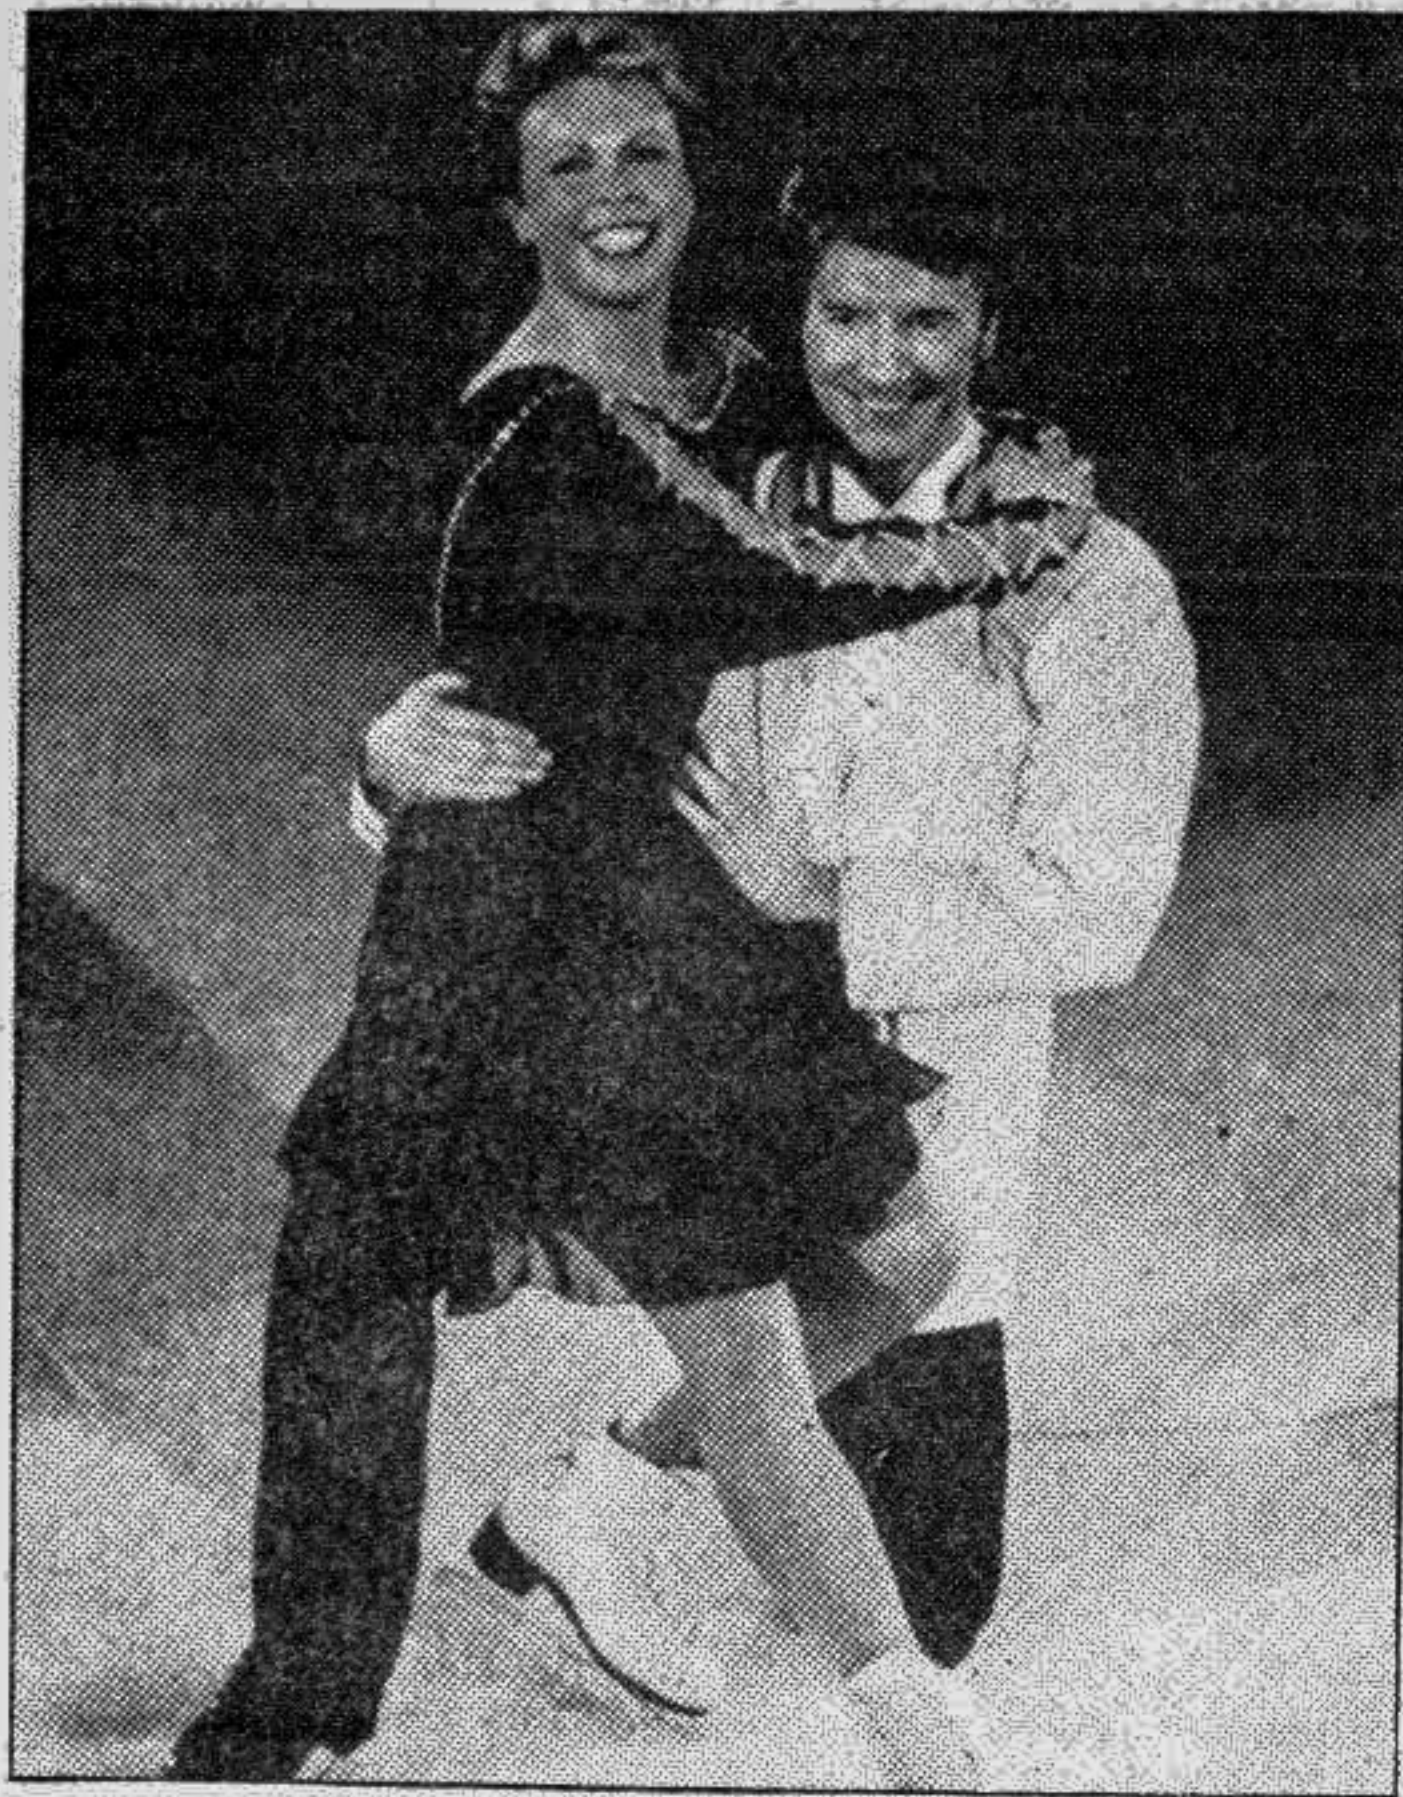

Dharma and Greg
June 7 at 7:00 PM on Star World
In "You Want Fries With That?"-After winning the biggest case of his life, Greg has a life crisis and questions his career choices. Dharma encourages him to quit his job and find his "bliss" which leads him to a greasy spoon. Edward discloses a flair for hair. Sounds Available.

Satellite TV

Torvill & Dean Ice Adventures

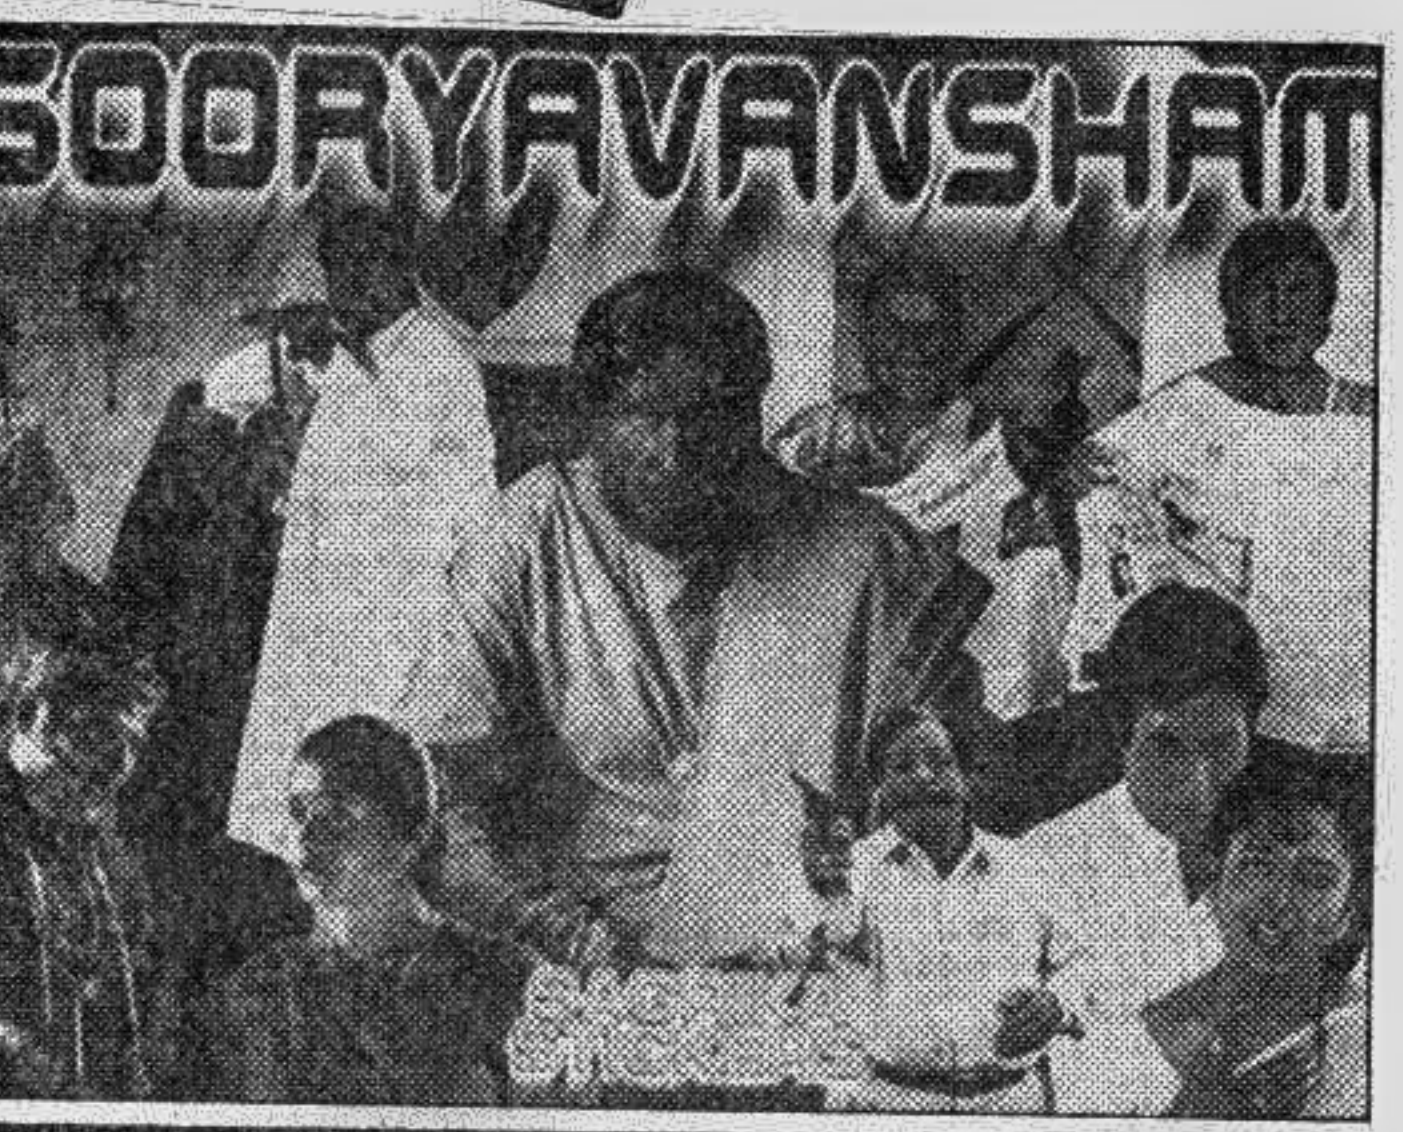

June 10 at 6:00 PM on Star World
Once again Torvill and Dean, Britain's celebrated ice dance duo are breaking box office records wherever they go. What is it about this couple that enchants the public so? This new show, Ice Adventures, has captured their imagination so much that we are delighted to bring you this one-hour special highlighting their performances. Ice Adventures, is a departure from their usual type of show in that the whole show is made up of five interwoven stories, with all of the 40 international skaters taking part in each.

MEGA MOVIE: Big Trouble in Little China

June 5 at 10:00 PM on Star Movies
Starring Kurt Russell, Kim Cattrall, Dennis Dun and James Hong
Kurt Russell stars as all-American truck driver Jack Burton who is thrust into a mysterious and magical adventure in an ancient world under Chinatown. Burton's best friend Wang Chi's fiancée is kidnapped by an evil spirit that resides in the mysterious underworld of San Francisco's Chinatown. Skeptical of ghosts and magic, Burton leads the rescue mission, enlisting the help of a Chinatown tour bus driver, as well as a crusading attorney and an eager but inexperienced reporter.

In recent years philosophers have radically reappraised the importance and sophistication of the philosophical texts of the ancient world. This new series of companions is intended particularly for students of ancient thought who will be reading the texts in translation but approaching them with the analytical skills of modern philosophy and with an eye to their historical significance. Each volume is devoted to a specific field of philosophy and contains discussions of relevant ideas of all the major philosophers and schools.

UNDERSTANDING GEOGRAPHICAL AND ENVIRONMENTAL EDUCATION

Author: Michael Williams
Publisher: Cassell
Price: 510/-

This authoritative and comprehensive text is a landmark in geographical and environmental education. The focus is sharply on research traditions, paradigms and methods. In most of the chapters the approaches and methods are reviewed and illustrated by selected studies from geographical and environmental education.

Available at Pathak Samabesh, Aziz Market, Shahbagh, Ph: 9662766, VISA Master Card accepted.
