CAREER OPPORTUNITIES

Rahimafrooz Batteries Ltd., an ISO 9002 certified company of Rahimafrooz Group and a market leader in the manufacturing and marketing of a wide range of automotive and industrial batteries for the domestic and international market, is currently going through a major re-structuring and change process. As a result of this and to meet the challenges of the next millennium, the company is seeking high caliber professionals for the following positions:

Marketing Executive (Automotive Battery)

The incumbent is responsible for maintaining an efficient and effective communication with the customers and satisfactorily respond to their complaints and queries. He/She has to develop and sustain an ongoing interactive role with the Factory and Distribution Division to be able to ensure a high level of prompt customer services and meet their expectations. Interpersonal skills, computer knowledge, and proficiency in verbal and written communication, are basic requirements of the job responsibility.

He/She should be in his/her late twenties preferably with a degree in Business Administration having 3-5 years of experience in Sales/Marketing.

Sales Executive (Industrial Battery)

The incumbent is responsible for maintaining effective communication with the institutional customers and users of battery and should promptly respond to their complaints and queries. He/She has to maintain an effective coordination with the Factory and ensure a high level of customer service to meet their expectations.

He/She should be good at interpersonal skills be computer literate and effective in verbal and written communication.

He/She should be in his/her late twenties having B.Sc. in Electrical and Electronics Engineering with 3-5 years sales/marketing experience.

Electric Vehicle Project In-charge

As the key person of the project he/she will be responsible for the total project involving planning initiating, and monitoring the progress at various stages of the project proposals.

He/She should have management skills and technical competence in project handling with the ability to influence outside relevant institutions for implementing the program.

He/She should be in his/her late twenties having a Bachelor degree with 3-5 years of project work experience.

Compensation package matching the background of the candidate in each case will be offered.

Suitably qualified candidates should apply in writing enclosing a current resume and a recent photograph, before 20th of June, 1999 to The General Manager, Human Resource and Corporate Affairs, RAHIMAFROOZ, 74 Motijheel C/A, Dhaka-1000.
