DU Senate polls
JOP blasts
DU authorities
By DU Correspondent

Jatiyatabadi Oikya Parishad (JOP) at a meeting yesterday protested the Dhaka University authority's statement regarding registered graduate representative election to the DU Senate.

There is "still scope to solve the irregularities and allegations made by the JOP candidates centering the election and vote counting. But the partial statement and activities of DU Vice-Chancellor Prof A K Azad Chowdhury has proved that he has no intention to solve any dispute regarding the election," said a JOP press release.

"We are very surprised and disappointed over the remarks of the DU authorities centering the registered graduate representatives election to the DU Senate," the release said adding that the VC was given the legal responsibility to resolve irregularities and allegations in the election.

The statement said there is no relationship between what the DU authorities said regarding vote counting outside the capital, and the rules and regulations of the election.

The opposition BNP supported JOP failed to grab any posts in the recently held registered graduate representative election.

The meeting was presided over by Gias Kamal Chowdhury.
