team calls on
Shahabuddin

President Shahabuddin Ahmed has advised his authorities of Bangabandhu Sheikh Mujib Medical University to put in their sincere efforts to make it a real service-oriented organisation, reports UNB.

His advice came when a five-member delegation of Bangabandhu Sheikh Mujib Medical University, led by its Vice-chancellor Prof MA Quaderi, called on him at Bangabandhu yesterday.

The delegation members apprised the President, who is the Chancellor of the university, of various steps taken by the university authorities for making it a full-fledged medical university.

They said they had to face certain problems at the initial stage and after 13 months of its operation as a medical university it has now overcome the initial difficulties. It's now functioning satisfactorily, they said.

They also informed the President about government's monetary sanction for purchasing some up-to-date machinery and equipment.

President Shahabuddin appreciated their efforts in tackling the initial problems of the university and hoped that all quarters would help and extend their cooperation in peaceful functioning of the institution.
