BCL rally protesting hartal

By DU Correspondent

Bangladesh Chhatra League (BCL), student wing of the ruling party, brought out a procession in the city protesting yesterday's hartal.

Later, BCL held a rally at the Paltan Maidan at noon following the procession, brought out from the Dhaka University campus.

Addressing the rally, BCL leaders blamed the three party Opposition Alliance for creating anarchy in the society and intercepting the country's march towards twenty-first century.

They also urged the opposition to practice fare politics for the sake of democracy and development of the country.

Presided over by Bahadur Bepary, the rally was addressed, among others, by Ajay Kar Khokan, Ghazi Mesbaul Hossain Sachchu, Ashraful Azim Rubon, Rafiqul Islam, Nazma Alam Biplobi, Sajjad Hossain, A K M Azim and Gias Uddin Palash.

Meanwhile, BCL has accused the "terrorists" of opposition BNP for Wednesday's bomb attack on a police constable who later succumbed to his injuries.

A BCL statement, signed by its president and general secretary demanded immediate arrest and exemplary punishment to those responsible for the killing.

Resentment over transfer

Bangladesh Civil Service (Telecom) Association has expressed resentment over the transfer of T&T Board Chairman MA Mannan Chowdhury, reports UNB.

In a statement yesterday, the association said Chowdhury has been removed from the T&T Board and made OSD without assigning any reasons.

It said an experienced telecom engineer like Chowdhury is needed for the sector as the government identified it as a prospective and profitable sector.

Chowdhury was made OSD and transferred to Establishment Ministry on Tuesday.

Production in JFF suspended for 10 days

Jamuna Fertiliser Factory (JFF) will temporarily suspend its production for 10 days from July 10 as there will be no power in the factory, reports BSS.

The factory will resume normal productions as soon as the power connection is restored.

Power Development Board (PDB) will not be able to provide electricity to the factory for maintenance work on the Jamalpur-Tarakandi line for the period.

There will be no problem in supplying required quantity of fertiliser to the command area of the factory as it has 33,000 metric tons of stock at godowns.

UNIVERSITY OF LONDON

EXTERNAL PROGRAMME

CAN'T COME TO THE UK TO STUDY?

Then study for a world-class degree at a distance in your own time, at your own pace

Over 80 undergraduate and postgraduate qualifications available.

The University of London is recognised world-wide for the excellence of its degree. For almost 140 years it has been making its degrees accessible through its External Programme to students who are unable to register for a conventional course of study. Currently, in the region of 25,000 students in over 150 countries are registered on the Programme to study for a range of first and postgraduate degrees and diplomas.

Today, several hundred students in Bangladesh are registered. Some study independently, others at private colleges or with correspondence tuition. For many hopeful students gaining a University of London qualification has been a long term ambition which, through the External Programme, they are now able to realise.
