**MEN IN BANGLADESH, INDIA AND PAKISTAN**  
 Reproductive Health Issues  
 by Nancy J. Piet-Pelon, Ubaidur Rob. M E Khan  
 Price: Tk 400.00  
 Increasing incidence of AIDS and STIs have also contributed significantly in shifting attention on men and their reproductive health problems. However, there are still very few studies on men, their roles as husbands/partners in family formation and their sexuality. The present book on men in Bangladesh, India and Pakistan is a welcome addition. Based on Published as well as unpublished literature the book fills some important knowledge gaps, and makes an assessment of the efforts made in achieving ICPD agenda related with men involvement in reproductive health and contraception.

**Nazrul Pandulipi**
