Zillur says Holding of UZ polls under caretaker govt illogical

KISHOREGANJ, July 18: LGRD and Cooperatives Minister Zillur Rahman today termed as illogical and unrealistic the opposition demand for holding of upazila elections under the caretaker government, reports BSS.

Addressing a public meeting at Chaumori Bazar under the district, he said that the opposition parties were trying to make the 'non-issues' the issues after failing to involve the people with the so-called anti-government movement.

The minister said that the demand for holding local government elections under the caretaker government could in no way be made an issue.

Zillur also described as untrue and false propaganda the recent remarks of opposition leader Begum Khaleda Zia that the Awami League wanted to hold the upazila and city corporation elections, without including the opposition.

He alleged that the BNP has been conspiring against democracy to obstruct the constitutional process, realising that it would not be able to return to power by resorting to vote rigging.

The minister urged BNP and other opposition parties to participate in all local polls including the upazila elections.

The minister inaugurated the newly-constructed Gazaria Union Council Complex
