Japan to provide 50m doses of polio vaccines

Japan will provide 537 million yen in grant aid for procurement of 50 million doses of oral polio vaccines for Bangladesh through UNICEF, reports UNB.

An Exchange of Notes was signed between Japan and UNICEF at the conference room of the Ministry of Health and Family Welfare here today with Health Secretary MM Reza in the chair.

Japanese Ambassador to Bangladesh Yoshikazu Kaneko and officer in charge of UNICEF Dominic Millioni signed the Exchange Notes on behalf of the respective parties.

Senior officials of the Health Ministry and representatives of the concerned organisations were present.

These polio vaccines will be used during the National Immunization Days (NIDs), scheduled for early November and December this year.

The Japanese Cabinet approved the grant in last July.

The grant will enable procurement of more than 90 per cent of the vaccine requirement for this year's NIDs, as well as ensure the effective utilisation of the vaccines, says an official handout.

BGGA Ranger Convention begins today

Ranger Council of Bangladesh Girl Guides Association (BGGA) has organised a three-day Ranger Convention. The convention will begin today at the Guide House auditorium in the city, a BGGA release said, reports BSS.

Around 200 Rangers from different colleges and universities across the country will take part in the convention. Besides, Ranger guides, commissioners and former guide members will also participate in the function, the release said.
