## Zia distorted spirit of Liberation War: Sayeed

State Minister for Information Prof Abu Sayeed yesterday said that late President Ziaur Rahman was responsible for distorting the values and spirit of the Liberation War, reports BSS.

"He (Zia) also rehabilitated anti-liberation forces in the country," Prof Sayeed said, adding "It is not Golem Azam but Zia was the real founder of Jamaat-e-Islami in Bangladesh."

He was addressing a prize distribution ceremony of Raseel Jatiya Shishu Kishore Parishad, marking the Golden Jubilee of Bangladesh Awami League at the auditorium of National Sports Council (NSC) in the city.

Secretary general of Raseel Jatiya Shishu Kishore Parishad Mahmood-Us-Samad Chowdhury presided over the function.

Presidium Member of Bangladesh Awami League Ameer Hossain Anu, Monir Hossain Khan, K M Shahid Ullah, M Shafiqul Alam and Mohammad Mojibur Rahman,

among others, took part in the discussion.

The State Minister said some times individuals emerge as a national symbol. "Individuals die but the great symbol like Raseel never dies," he said.

He said one day the killers of Raseel would be brought to justice but unfortunately we wouldn't be able to reverse the history.

Prof Sayeed said the gruesome assassination on August 15, 1975 snatched away our most beloved leader Bangabandhu Sheikh Mujibur Rahman and most of his family members including child Raseel and made room for conspiracies of the anti-liberation forces in the country.

He said under the able leadership of Prime Minister Sheikh Hasina the present government has established the real spirit of the Liberation War.

Ameer Hossain Anu said the history of the birth of Awami League is different from other anti-liberation and autocratic political parties including BNP.
