**New Computer institute in Sylhet**

The Institute of Computer Technology Limited (ICTL) of Bangladesh has completed the formalities to set up an International Computer Institute in collaboration with NCC of England at the Biman Bhaban in Sylhet, says a press release.  
NCC, a renowned computer science institute will provide one year IDCS course, two-year IAD course and three-year BSC (honours) course on computer science.  
Besides, the NCC, which has over hundred branches across the world, will also provide corporate training for professionals and PC driving for the beginners. The NCC will also give certificates from England.

The introduction of NCC's course in Bangladesh will also provide opportunity for the students to go through extensive and modern facilities with a minimum cost. This will also help the students to transfer their credits in Europe and the United States.  
Prof Abdul Matin, former principal of Sylhet Women's College, will head the institute.
