## GCO demands expulsion of rapists from JU

By JU Correspondent

Gonotantrik Chhatra Oikya (GCO) of Jahangirnagar University (JU) yesterday demanded the immediate expulsion and cancellation of certificates of the rapists, killers and terrorists belonging to the university.

This was stated at a procession that GCO brought out from the central cafeteria on the campus and ended at the Administrative Building. They held a rally after the procession.

Addressing the rally, GCO leaders alleged that the university authorities are patronising the rapists, killers and the terrorists who are destabilising the academic atmosphere by turning the campus as their battlefield.

Among others who addressed the rally, were Monishankar Das Gupta, general secretary of Bangladesh Chhatra Union (BCU) and Ariful Haq, president of Samajtantrik Chhatra Front (SCF).

Reiterating their six-point demands including expulsion and cancellation of certificates of the rapists, killers and terrorists, GCO leaders expressed deep concern over the killers' return to the campus and their holding meetings in different student dormitories, and the recent tension created for the beating incidents between two rival groups of Jatiyatabadi Chhatra Dal (JCD), JU unit.

Terming the authorities' steps taken against the killers of BCL leader Ananda as farcical, Monishankar Das Gupta said, "If the authorities' were not patronising the killers, they could not roam freely on

the campus right under the nose of the authorities and police."

Addressing the rally, Ariful Haq said, "Since rival groups of both BCL and JCD are thwarting the congenial education atmosphere of the campus by their terrorist activities, general students demand their immediate expulsion from the university."

GCO, later, submitted a memorandum to the Vice Chancellor in this regard.
