WHO DG calls on Shahabuddin

President Justice Shahabuddin Ahmed said yesterday that the World Health Organisation (WHO) was the first multilateral agency of the United Nations to open its mission office in the independent Bangladesh in early 1972, reports BSS.

The UN organ immediately started providing technical support to Bangladesh for its national health development programmes and for years it has been acting as the major partner of Bangladesh in the health development sector. The President said when the visiting Director General of WHO, Dr Gro Harlem Brundtland, made a courtesy call on him at Bangabhaban.

Dr Brundtland stressed the need for comprehensive integrated programme for education and health service and said that such programme will help reduce mother mortality rate and create health consciousness among the people. She said that the extended programme of immunisation in Bangladesh should be more activated with surveillance.

She thanked the president for receiving her and the members of his delegation.

Health Minister Salahuddin Yousuf, WHO Country Representative Dr W Hardjotonojo, Health Secretary M M Reza, Secretary to the President Muhammad Ismail Hossain and members of the delegation were present on the occasion.

President, PM greet Brazilian president

President Justice Shahabuddin Ahmed and Prime Minister Sheikh Hasina have felicitated Brazilian President Fernando Henrique Cardoso on the occasion of the National Day of Brazil, reports UNB.

In his message, the President hoped that the existing bonds of friendship and cooperation between the two countries would be further strengthened in the years to come.

He also wished him good health, happiness and long life and continued peace, progress and prosperity of the Brazilian people.

In another message, Prime Minister Sheikh Hasina expressed hope that the friendly relations between Bangladesh and Brazil would continue to grow.

She wished the Brazilian president good health and happiness and continued peace, progress and prosperity of the friendly people of Brazil.

BCU, DU unit council meet on Oct 5

By DU Correspondent
 The Dhaka University unit of Bangladesh Chhatra Union (BCU) yesterday announced a council preparatory committee to hold its five-day long 19th council, freshers' reception, literary and cultural competitions which is scheduled to begin on October 5.

The committee includes Rukanuzzaman (chairman) and Mushfiqur Rahman Tuku (convenor).

The committee was announced in a workers meeting at the Teachers Students Centre (TSC) of the university, which was followed by a procession in the afternoon.

JS body calls for more dynamism in Ctg Port operations

Parliamentary Standing Committee on the Shipping Ministry yesterday called for bringing more dynamism in Chittagong Port operations through tightening security and recruiting adequate manpower, reports UNB.

In this regard the committee stressed adopting modern port management system through proper application of autonomy given to the port under Chittagong Port Authority Ordinance 1976.

The meeting also emphasised immediate recruitment to the vacant posts, especially technical ones, under the CPA.

To resolve the existing problems in recruitment, the committee decided to hold joint meeting with the Establishment Ministry and Finance Ministry.

After reviewing the progress on decisions taken in earlier meetings, the committee asked the CPA to immediately implement the decisions that are yet to be implemented.

The parliamentary committee discussed gearing up the security system of the port and disposal of the junk goods.

CAREER OPPORTUNITY PLANT MANAGER

Application are invited for the coveted position of **PLANT MANAGER** for our plant at Tejgaon Industrial Area. The candidate should have a Master Degree in Pharmacy / Chemistry / Biochemistry with atleast ten years' experience of working in reputed industrial enterprises which must include atleast five years' experience of working in a senior management position. Persons from other disciplines having a well proven track record will also be considered.

This is a Senior Management position with very good career potential for a dynamic person who can prove his ability to run the plant efficiently. He will be required to take overall charge of **production planning, inventory control, production management, administration and other related matters.**

Ideally, the candidate should be within the age range of 40-45 years but consideration can be made for exceptional cases.

The position carries attractive compensation package with long term benefits.

Interested candidates may apply with their bio-data and a recent passport size photograph by 16th September, 1999.
