SUNSET MELODY ON THE SANTOOR

Author: Shiv Kumar Sharma

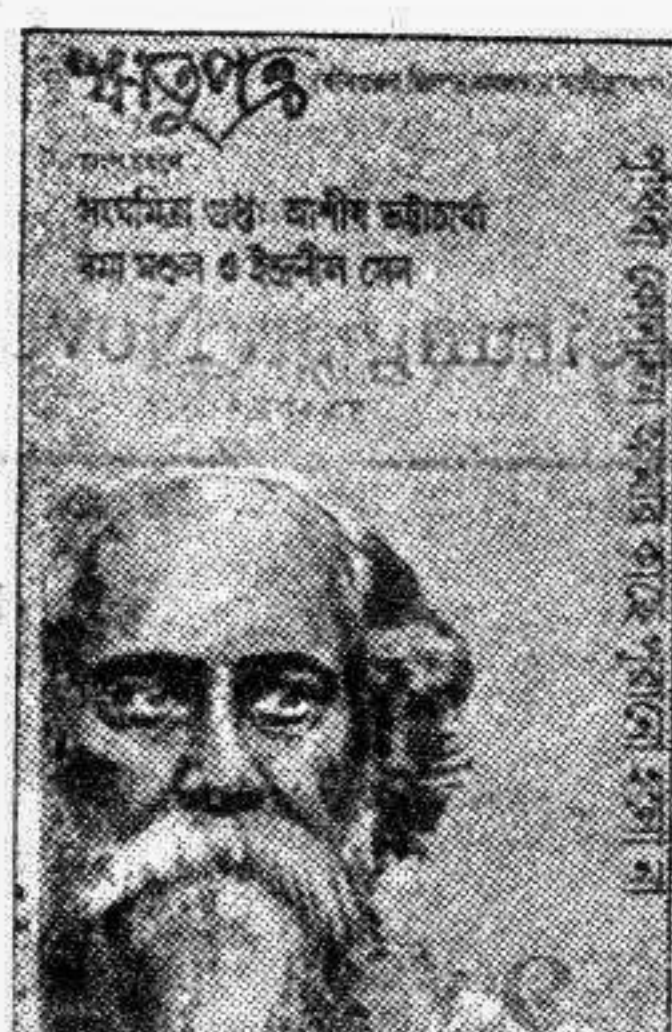

Price: CD Tk 350/-

The Music Raga Shree, heard here, is governed by the concept of "time theory." It is a twilight raga but associated with the hours of sunset. Naturally, therefore, it purports to depict a somber mood tinged with a wee-bit eerie feeling, conducive to inwardness and introspection. To quote from the celebrated English poet Shelley, "We look before and after/and pine for what is not." The poet's feelings are so subtly enshrined in the very content and character of Shree.
