## Notice Inviting Technical and Financial Proposals for Provision of Primary Health Care Services in Urban Partnership Areas of Dhaka, Chittagong, Khulna and Rajshahi City Corporation

- The Government of the People's Republic of Bangladesh has received a loan from the Asian Development Bank (ADB) and co-financing from the Nordic Development Fund (NDF) and the United Nations Population Fund (UNFPA) toward the cost of the Urban Primary Health Care Project (UPHCP). The ADB contribution to the Project will be financed under Loan No 1538-BAN (SF) from the Asian Development Bank (ADB). The Local Government Division of the Ministry of Local Government, Rural Development and Cooperatives, is the Executing Agency for the Project, which is implemented by the Health Departments of the City Corporations of Dhaka, Chittagong, Khulna and Rajshahi. Part of the proceeds of this loan will be applied to payments for three-year contracts (Partnership Agreements) to provide specified health services for the population of Partnership Agreement Areas.
- The Urban Primary Health Care Project (UPHCP) purpose is to improve the health of the urban poor by improving access and changing the way in which health services are provided in urban areas. The primary objective is to reduce preventable mortality and morbidity especially among women and children, by strengthening the urban Primary Health Care (PHC) infrastructure, and ensuring that the poor receive good quality preventative, promotive and curative health services. The other objective is to sustain improvements in PHC by building the capacity of Local Government and changing the role of Government in the provision of health care services. The UPHCP will strengthen the PHC infrastructure by establishing about 190 Primary Health Centers in Dhaka, Chittagong, Khulna, and Rajshahi. It will contract out the delivery of a package of essential services to NGOs and the private sector in about 15 defined partnership areas. It also will build the capacity of the city corporation health departments to manage the health service contracts and to plan, finance, monitor, evaluate and coordinate health services in the urban areas.
- The Urban Primary Health Care Project, on behalf of the Local Government Division of the Ministry of Local Government, Rural Development and Cooperatives (the Client), now invites sealed bids from non-governmental organisations (NGOs), private agencies, private individuals (entrepreneurs) and provider associations for the delivery of a defined package of primary health care services to urban partnership areas in Dhaka, Chittagong, Khulna and Rajshahi City Corporations. Based on the "essential services package" (developed for the national Health and Population Sector Program) the government has defined objective standards for a contractor to meet that are similar to the targets of the UPHCP and consistent with the MOHFW national program guidelines. The Contractor will develop and implement a system ensuring the provision of these specific health services and the achievement of specific levels of improvement in coverage and quality by the end of three years.
- The Project has defined specific partnership areas covering about 200,000-400,000 population in each of the City Corporation jurisdictions. A total of 8 Partnership Areas will be contracted at this time and about 7 more in 2000. Proposals will be accepted from international and national private enterprises, NGOs or consortia that are members of ADB member countries, have prior experience working with health systems and related activities, and are registered and legally entitled to work in Bangladesh.
- Proposals for the provision of Primary Health Care Services in Urban Partnership Areas now are being sought for five Partnership Areas in Dhaka, one in Chittagong and one in Rajshahi, for a total of eight areas to be contracted at this time. Bidders may submit bids for up to a maximum of three Partnership Areas, and any single bidder may only be awarded a maximum of three contracts. Bidders, who can deliver the specified services best, at the lowest price, will be awarded the contracts.
- All proposals and bids must be submitted in English.
- To qualify for awarding of the contract, bidders will need to meet the following minimum qualifying criteria:
  - Evidence of having implemented projects with a total annual value equal to USD 100,000 or more for each of the previous three years.
  - Evidence that the organisation has sound financial accounting practices.
  - No consistent history of litigation or arbitration awards against the bidder or associated organisations.
  - Minimum of five years experience working with health systems and related activities, with at least three of these years in Bangladesh by Principal Bidder.
  - Registration with an appropriate agency of the Government of Bangladesh, entitling bidder to work in Bangladesh.
  - Information on any commissions or gratuities, paid or to be paid relating to this bid and to contract execution if the bidder is awarded the contract.
- A two-envelope bidding procedure will be used. Bidders are to submit simultaneously two sealed envelopes, one containing the Technical Proposal(s) and one the Financial Proposal(s). All bids must be received by 3 PM on 28 November 1999, in Room 622, Nagar Bhaban, Fulbaria, Dhaka. At 4 PM on 28 November 1999 all bidders are invited to attend a public opening of the Technical Proposal envelopes in the UPHCP conference room adjacent to Room 620, Nagar Bhaban, Fulbaria, Dhaka. At that time the names of all bidders whose proposals have been received will be recorded.
- Initially only the technical proposals will be opened. The evaluation committee, convened by the UPHCP, will first examine the bidders' qualifications, then evaluate the qualified technical proposals, and then open the financial proposals and publicly record the prices bid. Only the Technical Proposals of qualified bidders will be evaluated. Only the Financial Proposals of Technically Responsive bidders will be evaluated.
- The Client will not be responsible for any costs or expenses incurred by bidders in connection with the preparation or delivery of bids.
- Responsibility for timely delivery of bids rests solely with the bidders. The UPHCP will make no allowance for any delays in proposals submission.
- Bidding documents may be purchased by interested eligible bidders upon submission of a written application to the office address given below and upon payment of a non-refundable fee of Tk 3000. Bidding documents may be requested by fax and sent by courier for an additional courier fee for the set(s), equal to the cost incurred. Bidding documents will be available from 9 AM to 5 PM on all working days starting from 29 September 1999 up to 27 November 1999.
- The payment may be made by Pay Order, Bank Draft, or Money Order to the Urban Primary Health Care Project, STD-14, Janata Bank, Nagar Bhaban Branch, Fulbaria, Dhaka.
- Bidders may obtain further information from the office of the Client, at The Project Director, Urban Primary Health Care Project, Project Implementation Unit (PIU), Room 620, Nagar Bhaban, Fulbaria, Dhaka, Bangladesh, Tel: 9667791, Tel/Fax: 9667792, E-mail: uphpc@bangla.net
