BCL demands punishment of Zihad's killers

By DU Correspondent

Bangladesh Chhatra League (BCL), the Awami League backed student organisation yesterday brought out a procession and held a rally on the Dhaka University campus in remembrance of Shaheed Zihad.

Zihad was gunned down by former dictator Ershad's armed terrorists during the mass upsurge on October 10 in 1990.

Addressing the rally, BCL leaders demanded immediate arrest and exemplary punishment of those responsible for the killing.

Presided over by BCL president Bahadur Bepari, the rally was also addressed by its general secretary Ajaykar Khokan and leader AMK Ajim.

'BNP trying to grab power by defying democratic norm'

State Minister for Information Prof. Abu Sayeed has said Leader of the Opposition Begum Khaleda Zia is trying to grab power defying all norms of democracy and ruining the political stability, reports BSS.

"People will foil the dream of the opposition to grab power by resorting to destructive activities like hartal and siege," he said at a public meeting at Kotila Union Parishad ground in Pabna on Saturday.

Kotila UP Awami League President Amjad Hossain presided over the meeting in which hundreds of leaders and workers of BNP and Jatiya Party joined Awami League.

Thana Awami League President and General Secretary SM Amir Ali and Abdul Quader respectively also spoke at the meeting.

Prof. Sayeed said BNP is now resorting to sabotage as part of

their evil design to destabilise the country. People have now understood BNP's double standard by expressing sham concern on the one hand and resorting to anarchy on the other, he added.

Referring to the crocodile tears of BNP for the farmers, Prof. Sayeed said the then BNP government killed 18 farmers who had wanted fertilisers at fair prices. The present government distributed agricultural loans to the tune of thousands of crores taka on easy terms and condition so far which was not seen during any previous government, he added.

Prof. Sayeed said people gave their verdict through the peaceful and neutral election of June 12, 1996 to the leadership of Sheikh Hasina to govern the country. The present government directly and indirectly allocated 30 per cent of the current budget allocations for poverty alleviation, he pointed out.

He said the BNP had illegally grabbed power through bullets and later handed over arms to students and they are still now nurturing terrorism. They are doing politics of 'dead body' instead of thinking about welfare of people, he observed.

Begum Zia is now threatening to adopt 'alternative way' to dislodge the elected government instead of pursuing the democratic way, he said.
