### CEC may fly to Bangkok for treatment

By Staff Correspondent Chief Election Commissioner Mohammad Abu Hena is likely to fly to Bangkok for treatment of his enlarged prostate gland and liver

infection, sources said. "Doctors advised me to go abroad for treatment". Abu Hena told The Daily Star last night, adding he was likely to leave Dhaka on December 10. Hena went on leave for one month on November 30.

Asked whether he had plans to seek extension of his leave. the CEC said, "It will depend on the counsel of doctors."

Hena undergoes his medical treatment when the Election Commission conducts three byelections on December 8 and attempts at rescheduling deadlines of Upazila Parishad elections of December 27 and City Corporation polls of January

Earlier Hena was admitted to the Dhaka Community Hospital (DCH) on November 30 and was discharged three days

Doctors at the DCH detected enlarged prostate and liver infection, Hena said.

### Housewife commits suicide

By Staff Correspondent The wife of an army official allegedly committed suicide inside a room of her Army Staff Quarters residence at Banani in the city yesterday afternoon.

Gulshan police and hospital sources identified the woman as Kamrunnahar Ruma, 25, wife of Major Haidor. The reason behind the alleged suicide could not be known immediately.

Police and hospital sources said Ruma hanged herself with a piece of rope suspended from the hook of a ceiling fan of the drawing room of her residence in the afternoon yesterday.

On being informed, Gulshan police rushed to the spot, and sent the body to Dhaka Medical College Hospital for autopsy. Gulshan police said they

#### Nasım

From page 1 Denouncing the oust-government agitation, the home minister said the opposition parties were out to destroy law and order in the country. Their move would fail, he asserted.

Referring to his recent visit to 10 districts. Nasim said he found the people there very much interested in elections. "We announced (city corporapolls which the Opposition rejected ... They don't believe in elections ... Let them continue agitation and we'll go for elections along with the people."

AL Presidium member Amir Hossain Amu criticised BNP for what he said rejecting repeated calls from the prime minister for settling political disputes sitting across the table.

"We're ready to respond to your invitation for such talks because we believe that all problems can be resolved through dialogue," he said and requested the agitating Opposition to come to the negotiation table.

Chaired by city AL chief and Mayor of Dhaka Mohammad Hanif, the rally was also addressed by AL leaders Forest and Environment Minister Sajeda Chowdhury. Agriculture Minister Motia Chowdhury. Mozaffar Hossain Paltu, State Minister for Shipping Mofazzal Hossain Chowdhury Maya, Dr Mostafa Jalal Mohiuddin. Sudhangsu Shekhar Haldar. and Ahsanullah Master MP.

The AL leaders were critical of the BNP-led alliance of four parties and called upon the people to resist 'destructive activities' of the opposition parties. They also condemned BNP for 'ignoring December 6', the day autocratic Ershad government had quit.

"The government should respect the people's sentiment and step down immediately. Otherwise it will be very difficult to protect the ruling party from the people's wrath," he said and asked the government to quit and hand over power to a caretaker administration without delay.

Bhuiyan advised the government not to push the nation towards a confrontation and observed that the current political crisis could be resolved only through the resignation of the government.

The BNP secretary general alleged that the ruling Awami League, like in the previous hartals, had resorted to violence across the country to foil the hartal. Unspecified number of opposition men were injured and arrested by AL terrorists

and the police, he added. He said the AL terrorists, led by its local MP, yesterday attacked a BNP procession at Ashashuni in Satkhira and ransacked the thana BNP office. AL terrorists also attacked pickets in many other parts of the country, including Khulna, he said.

He also condemned terrorists' attack on the Banglabazar Patrika and cancellation of declaration of the Weekly Evidence.
