## The Glittering World

Abrar's Creative Jewelry show is being held at the Alliance Francaise de Dhaka

By Nafid Imran Ahmed

IF the dresses worn by a person expresses his/her taste jewelry adds colour to it. From ancient times till date jewelry is an integral part of beautification.

Abrar

A six-daylong show and sale of Abrar's Creative Jewelry that started at the Alliance de Francaise yesterday has brought refreshing changes in traditional jewelry design.

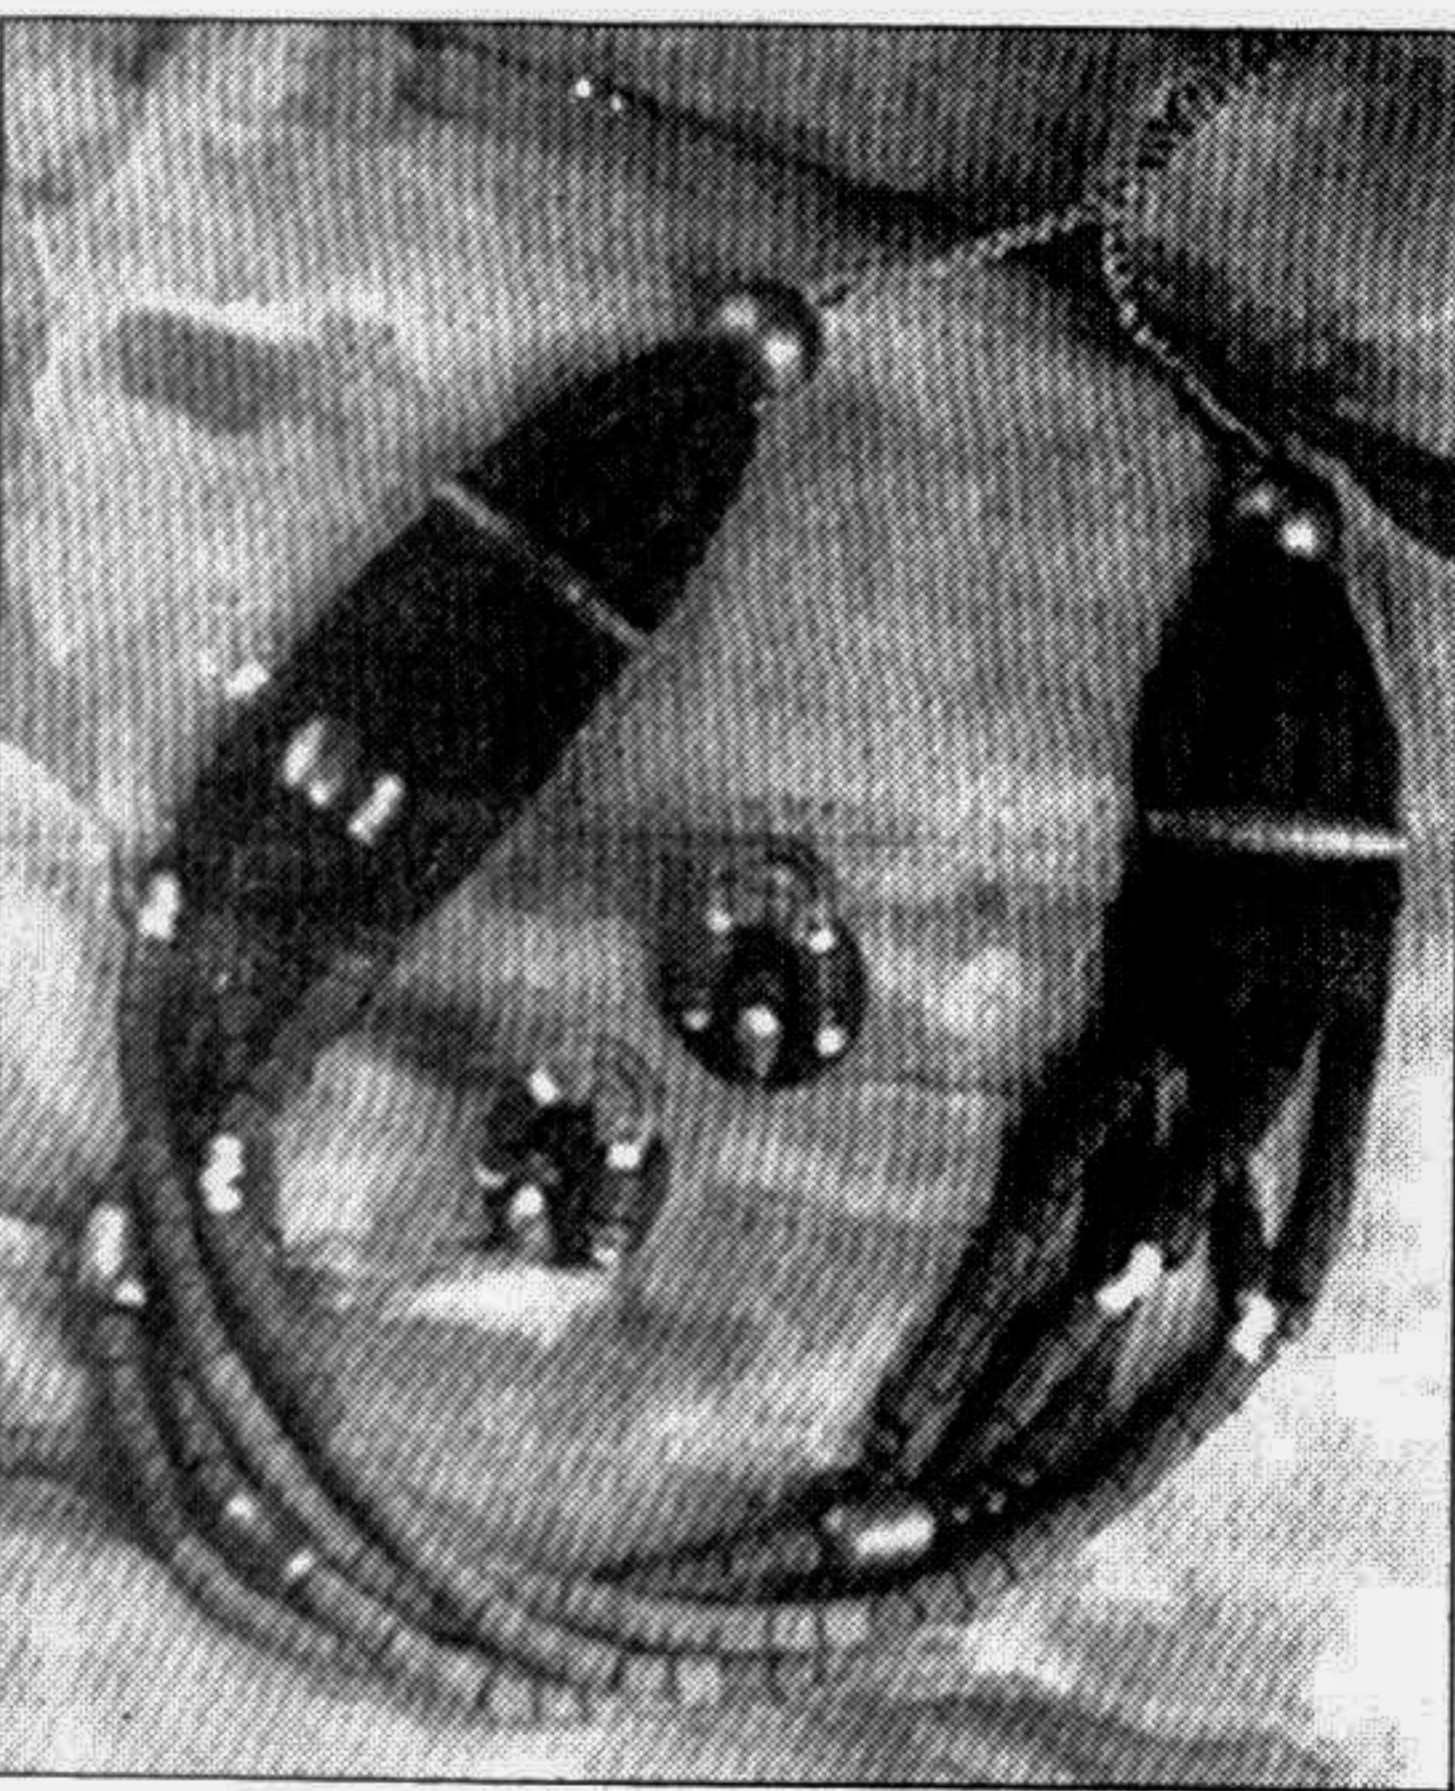

In his collection Abrar experimented with different forms and designs to bring out the feminine elegance in women. Going out of the traditional expensive materials

Viewer looking at Abrar's exquisite jewelry displayed at Alliance de Francaise

Abrar used silver with gold plating, woods and stones of different shapes to create necklaces and earrings.

His collection can be divided into two groups. The combination of wood and stones in one, gold plated silver and stones in the other. The most attractive aspect of Abrar's jewelry is his elegant colour combination. Scarlet red, green, cobalt blue

and banana yellow are the colours he uses frequently. The jewelry in wood features multiple colours, which makes them quite special to be worn in festivals. Well within reach, the prices have an exciting range and never goes beyond taka 1000.

Most of the necklaces that are made of stone and metal have gold plated locket. Each

design is unique and never been duplicated.

Abrar feels that traditional jewelry design is monotonous and needs to be refreshed with new designs. This is what has inspired him to venture into it. No doubt he has proved a point in jewelry designing.

The exhibition will remain open to all from 3 to 8 pm till December 30.
