

Industrial

Decorative

Marine

Smart. Beautiful. Innovative.

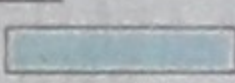

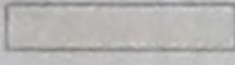

Paint is the skin-deep beauty of all surfaces. This art has been perfected over the years. Offering three types of paints, we cover distinct and specialised areas: Industrial, Decorative, and Marine surfaces. Our paint looks different. Our paint feels different. It is this difference, which makes our leadership undisputed. We are the future.

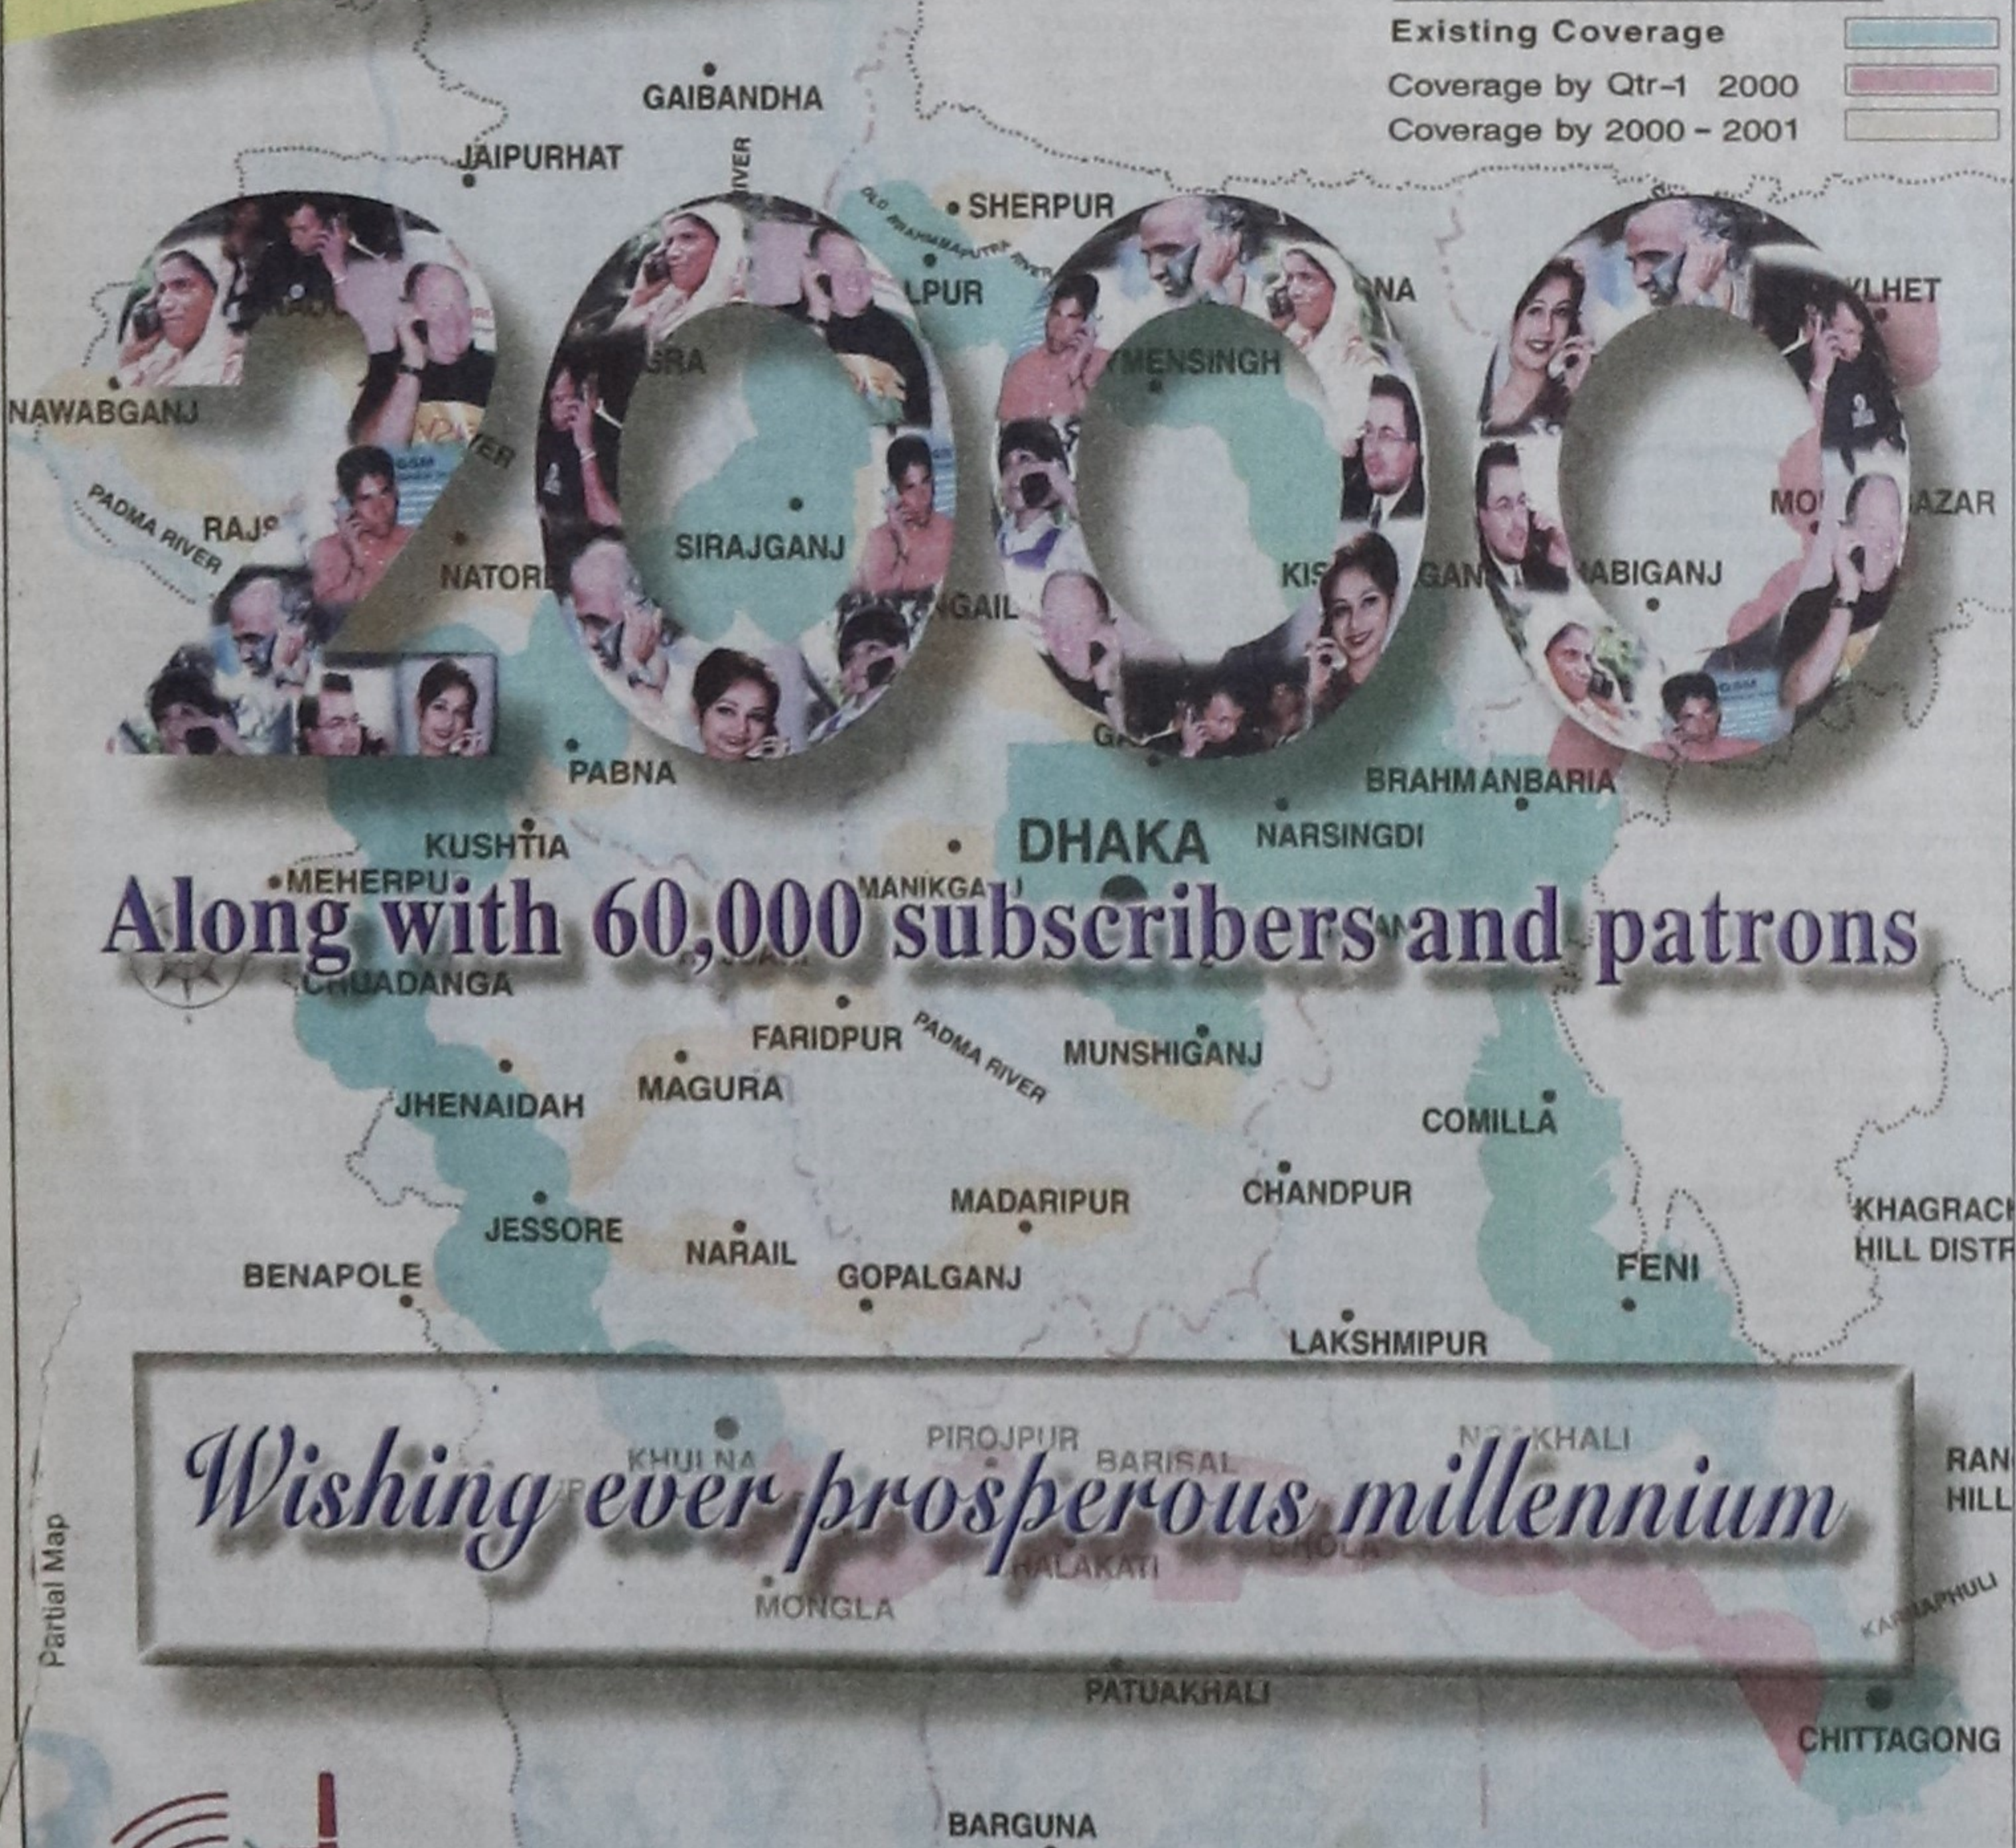

Welcome to the future, The Millennium.

Wishing ever prosperous millennium

GrameenPhone

trusted relationships last for centuries

Relationships can last longer than lives of people, and trust is what brings lasting relationships. Standard Chartered Bank has stood the test of centuries, by serving its customers for nearly 150 years through more than 500 offices in 50 countries. On the verge of the new millennium, we bring our valued clients the renewed promise of trusting relationship.

Come, let's march together onto the 21st century.

Wishing our present and prospective customers a very Happy New Millennium and Eid Mubarak.

Thanks for your continued patronage.

Standard Chartered
