Khaleda urged to return to parliament

Senior ruling party leader and Water Resources Minister Abdur Razzak yesterday urged Begum Khaleda Zia to return to parliament to strengthen the hard-earned democracy, reports UNB.

"They (Jamaat) are trying to destroy the country to satisfy their foreign masters," he said.

vowing that someday these "killers and war criminals will be tried on this soil."

The minister also urged the international community to try the war criminals at the international war criminal court.

Razzak welcomed the business community's move to mediate between the government and the opposition to end the standoff that is also taking a toll on the economy.

"Let us try to save our economy which are being hampered by opposition-sponsored hartal and other destructive activities."

The Commerce Minister said prices of rice continued to show a downward trend and remain within the reach of the people following its record production.

He informed the House that the process is underway to import 10,000 mts of salt and buy another 10,000 mts through TCB from internal markets to create a buffer stock of salt.
