## Society through The Eyes of a Painter

3rd solo painting exhibition by Baish Kadir

By Saima Islam

Baish Kadir

A solo mixed media painting exhibition of Baish Kadir is being held at the Alliance Francaise de Dhaka. The exhibition was inaugurated on May 12 by Abdus Samad Azad, Minister for Foreign Affairs.

"These are mostly my experimental pieces," said the artist

about his works and also added that none of the works gave him the satisfaction in totality. The words only reflect the artist's humility.

The paintings show the artist's endeavour to try something new in each work. He has almost developed a style of his own that does not get ignored. He has mostly used water-colour, pastel, poster colour and collages.

The interesting feature of his works is the immeasurable philosophical overtone that makes each work more striking. Though he did not intend to do series, still some of his works can be categorised as groups; for example his fascination for time has inspired him to paint a few pictures on time and memories, there are some on life, faces and hardship.

"Epitome of life" with its colourful lines whirling on Baish's canvas projects an open-ended debate on life. It could mean in 'Shakespearean

words, "a tale told by an idiot, full of sound and fury signifying nothing" or show the brightness and warmth of life that takes one over the rain-

A number of theme have found their way into Baish's canvases, some are grim, some are happy, such as 'Pied of Bird', 'Faces', 'Struggle for life'

Image of Life and Time

bows.

"Thrown after acid" is a series that would strike everyone's imagination hence conscience. The patterns that are left on the burning face glow like a whip making the pain on the face almost tangible.

"The News" is a collage of faces people, faces of the leaders, a tiger and many others. The evil seems to lurk in the black background, a lot of red shows the bloody tracks that the news of so many accidents and death leave behind for us but not all is dark and grim, there are patches of yellow and orange and green signifying hope and happiness.

"Hardship" shows a face of a woman, the clear mark of struggle is visible in the hard lines on her face. The face is left black and white in a colourful backdrop to make the privation of the woman more evident.

and many more. "I want to project various problems and picture of our society," says the artist.

Red, green and black comes over and over again in his paintings, asked about it Baish answered, green is the nature, red reminds me of our glorious liberation war and black is one of my favourite colour perhaps that's why they fill a large portion of my canvases.

Born in 1970 in Sylhet, Baish completed his Fine Art and Culture course from Sylhet Shilpakala Academy and then went on to do a course on Photography and Videos arranged by S.P.S Sylhet.

He received the award for the best work for his 'Tidal Bore' from the 2nd year Art and Culture Academy of the district.

The exhibition will remain open till May 25 between 9.00 to 12.00 noon and 5.00 to 8.00pm.

## Ashampradaye Kazi

Special programmes on Nazrul's birth anniversary

By Cultural Correspondent

LIKE other satellite channels of the country Ekushey television has lined up special programmes on the 101 birth anniversary of Nazrul. One of them is Ashampradaye Kazi which will be aired on May 25 at 8.00pm.

It was hard for Nazrul to support all the anti-socialistic activities during his time. He did not support the Hindu-Muslim riot. He always wanted to bind them together. That is why he wrote - *Mora Aki Brittye Duti Kushum, Hindu Musalman*.

It is Nazrul who wrote lots of Islamic *Hamd* and *Naaths*, from which his love and devotion for Allah and the religion can be perfectly pictured. And it is also him who continued on the *Shama* and *Agamani* music after Ram Prashad Karmalkanta.

Ekushey television plans to
