Budget discussion in parliament

Ruling party stalwarts request opposition MPs to return to JS

The ruling party stalwarts yesterday requested the opposition lawmakers to end their boycott and return to Parliament for resolving the national problems unitedly, reports UNB.

The appeal came during the general discussion on the national budget in Parliament. Foreign Minister Abdus Samad Azad, Water Resources Minister Abdur Razzak, Mohammad Shajahan, Alhaj Makbul Hossain and Biren Sikdar of Awami League and Taslima Hossain of Jatiya Party took part in the debate.

The Treasury Bench members while taking part in the discussion concentrated more on political issues that have been plaguing the country for a long time.

"Being an elderly man, I am appealing you to join Parliament and strengthen democratic and constitutional institutions," Foreign Minister Azad urged the boycotting opposition members.

Advising Khaleda Zia to be a "real Leader of the Opposition," he said: "Only boycotting can't be the role of a Leader of the Opposition. Being an elected leader of a democratic institution, you (Khaleda) have lot more responsibilities."

Azad said: "Please come back to parliament and play the due role that the general people vested on you."

He also urged the opposition to return to the election process to strengthen democracy and ensure development.

Highlighting the success of his government's foreign policy, Azad said the country's image has enhanced following proactive policy and important role being played by the government in international forums.

He said intricate problems like the Ganges Water Sharing Treaty and the CHT Peace Accord were solved through discussion, which were acclaimed by the international community.

Bangladesh, he said, has drawn attention of all for its significant role as a non-permanent member of the UN Security Council, leader of LDCs and NAM, in UN peacekeeping missions and hosting international summits in Dhaka.

Besides, Azad said, Bangladesh has been able to attract foreign investment by pursuing economic diplomacy and maintaining good relations with its neighbours.

He told the House that a new chapter has opened up with US President Bill Clinton's visit to Dhaka.

"We're now a busy player in the international forums. We're holding bilateral talks with different countries for expanding our economy alongside our international role," the Foreign Minister said.

Water Resources Minister Abdur Razzak urged the opposition to return to the House without wasting time and make constructive criticism in parliament. "Let's resolve national problems through united efforts," he said.

About the new budget, Razzak said it is designed to protect the interest of the common people, build a strong rural economy and alleviate poverty.

He said the government made substantial allocation to build a modern defence system. "We don't believe in killing army officers and jawans, we believe in their development," he said, apparently indicating the military unrest in cantonment during the rule of Zia and Ershad.

About the proposed Ganges barrage, Razzak said the work on the barrage would start after completion of the survey. He said donor countries and agencies have assured their assistance to the proposed barrage.

Taslima Hossain of Jatiya Party also urged the opposition MPs come back to the House.

She said it was frustrating that after long struggle for democracy the power is yet to come out from the Secretariat.

Where will you find hundreds of MPs out of the House? The opposition can't avoid responsibility of any failure of the present government," she added.

Bangladesh Class IV Government Employees Association brought out a procession in the City yesterday in support of its various demands. — Star photo
