President greets Bashar Al-Assad

President Justice Shahabuddin Ahmed yesterday felicitated Dr Bashar Al-Assad on his assumption of office of the President of Syria, reports UNB.

In a message to the Syrian President, President Shahabuddin hoped that under his leadership the people of Syria would continue to march forward in progress and prosperity.

He expressed the confidence that the bonds of friendship and cooperation between the two brotherly countries would be further strengthened in the years to come for the mutual benefit of the two nations.

Workshop on 'environmental reporting' opens
Collective efforts needed to face environmental problems

Environment Secretary Mahfuzul Islam yesterday emphasized the need for quality and in-depth reporting on environmental issues to help achieve eco-friendly development in the country, reports BSS.

He was inaugurating a two-day workshop on 'Environmental Reporting' organised by the Forum of Environmental Journalists of Bangladesh (FEJB) at the National Press Club.

Presided over by FEJB chairman Quamrul Islam

Chowdhury, the opening session was addressed by Director General of the Department of Environment Khondhker Rashedul Huq, Sustainable Environment Management Programme (SEMP) Coordinator Dr Mahfuzul Islam, UNDP's Dr Aminul Islam and FEJB general secretary Mofizur Rahman.

The environment secretary also called for collective effort in facing environmental problems like arsenic contamination, air pollution, water and noise pollution, deforestation and river encroachment.

Chief Omar Ali conducted two technical sessions.

Later, the Environment secretary inaugurated a two-day exhibition of photographs on 'Arsenic Contamination' and 'CET Environment' organised by FEJB with the support from the Ministry of Environment and UNDP.

Stressing the importance of focusing more on investigative and analytical reports, he said journalists should avoid sensationalism for the sake of credibility. They should reveal the truth with objectivity, he said.

Mahfuz lauded the role of FEJB under SEMP and said the performance of environmental journalists has been highly appreciated and they should maintain this trend.

Rashedul Huq said the Department of Environment is trying to arrest the environmental downturn in the country and hoped FEJB members would continue to cooperate with DOE in this effort.

Quamrul said environment is an emerging science and environment reporters should keep themselves updated with the latest scientific development and research findings to make effective reports in an easy and lucid language as a communicator.
