Liaison body blasts section of newspapers

By Staff Correspondent

The Central Liaison Committee on Thursday blasted a section of newspapers for publishing motivated news items against the four-party alliance leaders.

It alleged that some newspapers in recent days published reports saying that the leaders of the alliance are involved in terrorism and subversive acts.

These reports are completely false and motivated and is aimed to tarnish the image of the opposition parties and their leaders, said BNP leader Anwar Zahid while briefing newsmen after a meeting of the CLC.

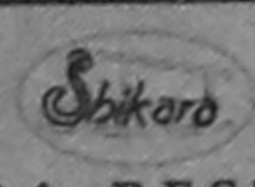

The meeting held at 29 Minto Road with Islami Oikya Jote secretary general Fazlul Haq Amini in the chair, it said the opposition parties does not believe in terrorism or any act that may destabilise the country rather the opposition leaders and activists are being the victim of state-sponsored terrorism and conspiracy.

The CLC meeting strongly protested and condemned the "motivated" press reports and urged the concerned newspapers to refrain from publishing such reports.

Anwar Zahid said the government and those papers are trying to create a situation in the country and also trying to identify the bearded men as terrorists.
