## Loan recovery rate in Ashrayan project 98 per cent

The landmark *Ashrayan* project for the homeless has set a unique example of micro-credit programme with a loan recovery rate of 98 per cent, a senior official of *Ashrayan Bastobayan Sangstha* (ABAS) told BSS yesterday.

The officials said ABAS so far allocated Taka 12,48,78,000 for distribution as credit among the rehabilitated families.

Till now construction of 1904 barrack houses has been completed and 19,040 families rehabilitated under the project, they said adding besides this, 1,289 barrack houses are now under construction to provide accommodation to 12,890 families.

Of the total allocated money, Taka 4.35 crore has already been disbursed through 276 registered cooperative societies to the borrowers with 8 per cent service charge.

The ABAS officials termed the rate of loan recovery from the borrowers as excellent and said Taka 4.26,30,000 has been recovered so far which is 98 per cent of the amount disbursed.

According to the officials, the credit was provided to the borrowers after imparting them training on different trades and conducting feasibility study by the cooperative department.

Taka 1,66,88,681.00 has been spent for imparting training to 31,398 persons of 14,890 rehabilitated families.

Some 28,364 beneficiaries have been enlisted as cooperative society members, of them 13,948 are male and 14,416 are female.

The project-*Ashrayan*, the brainchild of Prime Minister Sheikh Hasina, was launched immediately after devastating cyclone on 19 May 1997, to

provide homeless and landless families with homesteads and basic facilities on *khas* land.

A senior ABAS official said *Ashrayan* project was launched not only to provide shelter to the borrowers, but also to ensure sustainable development.

Nearly Taka 50,000 will be spent for each family for housing and socio-economic develop-

ment activities, he said.

ABAS sources said for each barrack house, there is one tube well and two blocks of latrine bathroom (one for male and one for female). Each family is being provided with one unit of barrack house comprising 225-sq ft floor area. The estimated cost for a barrack house is Taka 3,66,800.

President visits  
Mahbubur Rahman's  
Uttara residence

President Justice Shahabuddin Ahmed visited the residence of former Deputy Governor of Bangladesh Bank late Mahbubur Rahman Khan at Uttara yesterday, reports UNB.

He died of cardiac arrest Thursday.

President Shahabuddin Ahmed stayed there for some time and consoled the members of the bereaved family.
