FANKOO

Hey Rocko! Look at this! There's vanishing ink in this bottle of parker ink. The ink becomes invisible in 10 minutes.

Hm... I have to steal that invisible ink, no matter what.

There's an exam in school today. I'll use Fankoo's parker ink to give the test and the invisible ink to perform magic.

Heh..heh... The parker ink is in my right pocket and the Vanishing ink is in my left pocket.

At school..

Lets see if everything is OK. The parker ink is in the left pocket and the Vanishing ink is in the right pocket.

heh..heh.. It's really easy to cheat and write quickly using this parker pen.

Ha..Ha.. I finished before everyone else.

Give me the copy, but keep sitting until the bell goes off.

Then Sir, let me perform a magic trick. This is a vanishing ink!

Hey, what are you doing?

Don't worry Sir, the ink will disappear in 10 minutes

Rocko, Ten minutes have passed, and the ink hasn't become invisible yet.

What is wrong? Something must have....

Oh no, my exam paper!

Fankoo, go bring me cane number 4.
